Cc: Cyprus Sailing Federation ; Vice President KIO
Subject: 2026 ILCA 4 Youth World Championship - Decision of the Disciplinary Committee of Cyprus Sailing Federation

Dear Sirs

Further to the report received from Mr. Bruce Martinson, as an International Judge and Chairman of the International Jury at the 2026 ILCA 4 Youth World Championship, and the copy of the hearing decision signed by Gonzalo Heredia, Chairman of the International Jury Panel at the event, please find below the Decision of the Disciplinary Committee of Cyprus Sailing Federation for your information and records.

Decision of the Disciplinary Panel
Having considered the relevant documents, the circumstances of the matter, the information provided by the athlete's authorised representative, and the athlete's apology, the Disciplinary Panel determined that a formal reprimand and a suspension from participation in sailing events were appropriate disciplinary measures.

Accordingly, the Disciplinary Panel decides as follows:

(a) Formal Reprimand
The athlete, **[REDACTED]**, is hereby formally reprimanded in respect of the conduct giving rise to this disciplinary matter.

(b) Suspension from Participation in Sailing Events
The athlete is hereby **suspended from participation in sailing events for a period of twelve (12) months**.

The execution of this suspension shall, however, be **suspended for a probationary period of twelve (12) months**, commencing on the date of this Decision.

Accordingly, the suspension from participation in sailing events shall not take effect during the probationary period, unless the condition set out below is triggered.

(c) Condition of Probation
During the twelve (12)-month probationary period, the athlete shall comply with the applicable rules and regulations of sailing and shall refrain from any further misconduct, including conduct constituting a breach of good manners, good sportsmanship or ethical standards.

If, during the probationary period, the athlete commits further misconduct in connection with his participation in a sailing event, the twelve (12)-month suspension imposed under paragraph 6(b) shall become operative in full, commencing on the date on which the finding of further misconduct becomes final.

For the purposes of this Decision, any such further misconduct must be established by a decision of the competent Protest Committee or Jury of the relevant sailing event, in accordance with the applicable Racing Rules of Sailing and other applicable rules and procedures.

Finality of Decision

This Decision is final and not subject to appeal, as per the Constitution and applicable regulations of the Cyprus Sailing Federation.

Kindly take note of the contents of the Decision.

On behalf of the Disciplinary Committee,
Andreas Christoforou, Chair

With Best Regards
