Proceedings: RRS Rule 69.1(a) / FAY disciplinary proceedings — San Isidro Labrador Championship 2026

The suspension was imposed for a breach of RRS Rule 69.1(a) misconduct involving serious physical violence against a fellow competitor during the event, constituting a Level 5 offence under the WS Misconduct Guidance. The FAY Council considered the gravity of the conduct, including premeditation and a prior pattern of harassment toward the victim. Mitigating factors taken into account were the competitor's minority of age and absence of prior formal disciplinary record.

2. REDACTED

Nationality: Argentina (ARG)

Sailor ID: REDACTED

Class: 29er

Status: Competitor

Sanction: Suspension of Competition Eligibility

Duration: Three (3) months

Effective from: 18 May 2026

Effective until: 17 August 2026, inclusive

Authority: Federación Argentina de Yachting — Council Decision No. 1/2026

Proceedings: RRS Rule 69.1(a) / FAY disciplinary proceedings — San Isidro Labrador Championship 2026

The suspension was imposed in connection with his participation in a physical altercation during the event, in breach of RRS Rule 69.1(a). In determining the sanction, the FAY Council expressly considered significant mitigating circumstances, including the prior context of harassment, the deliberate interference with his equipment, the spontaneous nature of his reaction, his minority of age, and the written apology submitted.

Pursuant to the World Sailing Eligibility Code §5.3.2, the FAY respectfully requests the Chief Executive Officer to report these suspensions to all National Authorities, World Sailing Class Associations and other World Sailing affiliated organizations, so that the suspensions of Competition Eligibility may be given effect at events held within their respective jurisdictions during

the periods indicated above. World Sailing may also publish appropriate notices on the World Sailing website as provided under that Regulation.
