THE FUTURE

“It is ISAF’s intention to act as the catalyst and bring the stakeholders in the sport together in partnership”

THE VISION

To expand and develop participation in sailing by attracting newcomers to the sport and retaining both newcomers and existing participants

THE VISION

- ✘ Establishing a small, focussed, group of staff and experts to give strategic direction to the project.
- ✘ Creating a worldwide network of ISAF Task Forces to drive the initiative forward.
- ✘ Working in partnership with the marine industry to develop and support participation programmes.
- ✘ Engaging with established providers in the education, holiday, sailing school and club sectors in order to increase their customer base
- ✘ Sharing best practise developed by MNAs and other groups, using a combination of workshops, seminars, written manuals, websites and mentoring.
