

Olympic Classes Sub-Committee

Constituting the Committee – Regulation 6.6.4.2

A submission from the International Kiteboarding Association

Purpose or Objective

To provide a structure for input from IFDS and possible future olympic events and equipment to Sailing World Cup and Olympic Competition matters.

Proposal 1

Amend Regulation 6.6.4.2 as follows:

The Olympic Classes Sub-committee shall consist of members appointed from time to time by the Classes selected as equipment for the next Olympic Sailing Competition, **and events and equipment as listed in Regulation 24.3.3.** Each class may appoint one member. The Chairman and Vice-Chairman shall be selected from the members by the Sub-committee.

Current Position

As above.

Reason

After the merge between ISAF and IFDS and the inclusion of events using potential future Olympic Equipment in the Sailing World Cup and Sailing World Championships, such classes should be represented in the Olympic Classes Sub-Committee to be able to provide input for their respective classes regarding Sailing World Cup, Sailing World Championships, and future Olympic Games.
