

ISAF Sailor Classification Code - Procedures

Regulation 22.3.6

A submission from the Executive Committee

Proposal

22.3.6 When a competitor does not agree with a classification made by the *Classification Authority* (the initial review), the competitor may appeal to the *Classification Authority* **within 60 days of the completion of the initial review** using the process on the ISAF website or by such other method as shall be notified in the ISAF Yearbook.

Current Position

As above.

Reason

There is currently no time limit for an appeal and sailors are appealing up to 18 months plus after a decision by which time their circumstances can have completely changed. Sailors are misusing the Appeal process instead of submitting a new application reflecting their changed circumstances.
