

Deletion of Terms of Reference of Commissions

Regulations 42 to 48

A submission from the Chairman of the Constitution Committee

Proposal

Delete in their entirety Regulations 42 to 48: and insert new Regulation 41.6

41.6 Currently there are eight commissions namely Athletes, Coaches, International Regulations, Medical, Multihull, Olympic, Sailor Classification and Training.

Current Position

As above

Reason

The Terms of Reference and appointment of Commission Members are all determined and dealt with by the Executive under Regulation 41.2.

Since the Executive can change the Terms of Reference at any time it is contradictory to include their full text, which might incorrectly suggest the contrary and indeed causes confusion if the terms are changed by the Executive at any time.

Instead the Executive will maintain the Terms of Reference on the website.
