

**ISAF Learn to Sail Training Programme**

**Kiteboarding to be Added to List of Disciplines**

A submission from the Chairman of the Development and Youth Committee

**Purpose or Objective**

To add Kiteboarding to the list of existing disciplines in the ISAF Learn to Sail Training Programme Document.

**Proposal**

With Dinghy, Windsurfing and Multihull sailing already in the LSTP Guideline Document, Kiteboarding should be included in order to assist those MNAs and national Kiteboarding organisations working for the IKA in the setting up and running of structured training programmes for the sport of Kiteboarding.

**Current Position**

As above.

**Reason**

ISAF recognizes Kiteboarding as an International Class and as such we should support the development of the Kiteboarding activity by providing training guidance.
