

ISAF Regulations – Definitions

Class Rules

A submission from the Chairmen of the Racing Rules Committee and the Constitution Committee

Proposal:

Class Rules	Class Rules are rules as defined in the ISAF <i>The Equipment Rules of Sailing</i> . in Part II, Section C3.1 as follows "The rules that specify the boat as it shall be used for racing."
-------------	---

Current Position:

As above.

Reason:

Housekeeping. In the 1 January 2009 edition of *The Equipment Rules of Sailing* (ERS), the ERS definition of Class Rules will change, thereby making the current definition of Class Rules in the regulations inaccurate.

Also, there is no need to reproduce in the regulations the entire text of a definition in the ERS because the ERS is readily available to all members of the ISAF community. The regulations contain several other references to specific equipment rules and racing rules, and these do not quote the entire rule.
