

Equipment Rules of Sailing

G.1.4(k) BATTEN POCKET

A submission from the Chairman of the Equipment Committee

Purpose or Objective

To remove the word additional from the term Batten Pocket.

Proposal

(k) BATTEN POCKET

~~Additional~~ ply to form a pocket for a batten.

Current Position

As above.

Reason

1. Batten pockets may be formed by simply a wide seam and therefore the term “additional” is not appropriate in this case. This Batten Pocket definition now includes this situation.
