

**Classes for the ISAF Youth Sailing World Championship**

Regulation 24.4.9: Open Multihull

A submission from the Chairman of the Events Committee

Purpose or Objective

Eliminate the choice of equipment for the Open Multihull under 24.4.9

Proposal

24.4.9

Open Multihull- ~~Hobie 16 with spinnaker or~~ Sirena SL16

Current Position

As above.

Reasons

1. Open Multihull is the only event in the Youth World Championships that has a choice of equipment.
  2. Sirena SL 16 has been used successfully in the last 3 events.
  3. The option of choice harms the stability of the event and the investment in equipment.
