

## Equipment Rules of Sailing

### H.2.1 EQUIPMENT INSPECTION

A submission from the Chairman of the Equipment Committee

#### Purpose or Objective

To better explain who is the authority responsible for interpreting class rules.

#### Proposal

### **H.2 EQUIPMENT INSPECTION**

**H.2.1** If an **equipment inspector** is in any doubt as to the application of, or compliance with, the **class rules**, the question should be referred to the ~~authority responsible for interpreting the class rules~~ **class rules authority**.

#### Current Position

As above

#### Reason

1. It is better to directly refer to the ERS rule applicable.
