

World Championships

Regulation 25.2.4

A submission from the International Formula Windsurfing Class

Purpose or Objective

To clarify a regulation and recognise existing rights of approved organisations.

Proposal

Amend ISAF Regulation 25.2.4 as follows:

The title of the Championship should be: “The xxx Class World Championship” or “the xxx Class <Name of Continent> Championship”, but other titles may be used. The title shall not include the term “ISAF”, “International Sailing Federation”, “Sailing” or “**Sailing** World Cup”.

Current Position

As above.

Reasons

1. To resolve the current situation with the Professional Windsurfing Association events – the PWA have been using term World Cup to describe their events for over 30 years and before ISAF even thought about holding a world cup series.
 2. To avoid unnecessary limitations being imposed by ISAF on it Member Classes (ICA's).
 3. To accurately reflect the current situation, but still safeguard ISAF's property.
