Amend Mast Spar Weight Definition

A submission from the Chairman of the Equipment Committee

Purpose or Objective

To amend the definition of mast spar weight to remove duplication and open the applicability of the definition.

Proposal

Amend ERS F.2.3(p) as follows;

F.2.3(p) ~~MAST~~ SPAR WEIGHT

The weight of the **spar**. ~~including fittings and corrector weights.~~

Current Position

See above.

Reasons

1. To remove duplication between definition of **spar** and spar weight.
 2. Reducing the number of definitions by opening F.2.3.(p) to apply to any **spar**.
