

**Equipment Rules of Sailing**

New Definition Outrigger

A submission from the Chairman of the Equipment Committee

Purpose or Objective

To add new definition to define an outrigger.

Proposal

Add new definition of outrigger, ERS F.1.4(c)(iv) as follows;

F.1.4(c)(iv) OUTRIGGER

A **hull spar** extending transversely to sheet a **sail** and/or attach **running rigging**.

Current Position

See above.

Reason

This definition is needed to support the RRS 50.3.
