

Racing Rules of Sailing

Rule 87 Change of the Class Rules in the Notice of Race

A submission from The Royal Netherlands Yachting Union

Proposal

Change rule 87.

The sailing instructions may change a class rule when the class rules permit the change, or when written permission of the class association for the change is displayed on the official notice board.

The change to the class rule shall also be stated in the notice of race.

Current Position

The sailing instructions may change a class rule when the class rules permit the change, or when written permission of the class association for the change is displayed on the official notice board

Reason

It is fair that sailors know before they enter a race that a class rule is changed in the sailing instructions of a race, so it must be stated in the notice of race.
