#### Possible Consequential Change to Match Racing Call

A submission from the Chairman of the Racing Rules Committee,

#### **Proposal**

Should the submission for a new rule C2.12, amending rule 18.2(e) be approved, Call UMP 30 needs to be amended by deleting:

‘Because this overlap was established from clear astern’

in the beginning of the second paragraph of Answer 1.

#### **Current Position**

The call currently include reference to the wording that will be deleted from rule 18.2(e) in new rule C2.12.

#### **Reason**

Should the submission to amend rule 18.2(e) in Appendix C be approved, the mentioned change to CALL UMP 30 is required as a consequence.

Should the submission to create new rule C2.12 not be approved, this submission should be considered as withdrawn.
