SECTION 1 - ADMINISTRATION AND INTERNAL GOVERNANCE**PART I - Membership and Council****1. WORLD SAILING MEMBERSHIP – FULL, ASSOCIATE AND CONTINENTAL**

- 1.1 An applicant for membership shall apply by completing the application form and questionnaire supplied by World Sailing in a suitably complete manner with all supplementary documents.
- 1.2 The applicant shall pay the required subscription (subject to any remission sanctioned by World Sailing).

Where there is only one Applicant for Membership that is an existing National Organization representing sailors (Case 1)

- 1.3 Where there is only one applicant for membership pursuant to Article 5.1 that is, an existing National Organization representing Sailors, the applicant organization shall meet all of the following criteria:
The applicant:
 - (a) shall be organized on a national basis and capable of exercising its mandate wherever there is significant sailing activity;
 - (b) shall be recognized by the National Sports Authority if there is one, whether it be government sponsored or not;
 - (c) shall be recognized, either at the time of the application or within three months of becoming a World Sailing Member, by the National Olympic Committee if there is one;
 - (d) represents officially through membership or affiliation, a significant majority of the yacht or sailing clubs and other sailing organizations of the country;
 - (e) while not mandatory, it is expected that an applicant National Authority shall be a member of regional sailing organizations for which it is eligible;
 - (f) while not mandatory, participation in international racing is desirable and encouraged.

Challenging the Eligibility for Membership of a National Authority who is applying for Membership (Case 2)

- 1.4. Where an organization claiming to be exercising the authority to regulate and manage the sport of sailing in one country is seeking membership in the Federation or in the case of two or more such organizations seeking membership in respect of the same country, before the membership of any of such applicant is accepted by the Council:
 - (a) if the Notices calling a pending meeting the Council have been mailed, the Council; or
 - (b) if such Notices have not been mailed, the Board shall determine whether there is a valid competition between organizations to become a Full Member for that country. The purpose of such determination is to ensure that only organizations having a valid claim to being a National Authority are given status as parties to the determination of competing applications.
- 1.5 The Board or the Council, whichever has the carriage of the matter, shall direct the applicants to meet the criteria of being a National Authority. The Chief Executive Officer on the completion of his information gathering shall report to the Board or to the Council as the case may be his opinion as to which, if any, of the organizations are qualified as applicants. The Board or the Council shall examine the material collected

REGULATIONS

by the Chief Executive Officer and shall make a determination as to which applicants shall be determined to be Applicants with status in the process of determining the organization, if any, that shall be accepted as a Full Member representing the Country in question.

- 1.6 Once the number of Applicants has been determined, if there is only one Applicant it shall proceed as in the case of an uncontested application for Full Membership under Article 5.1 and Regulation 1.3.
- 1.7 If there is more than one Applicant the process is a Contested Application and the procedure set forth in Regulations 1.30 to 1.40 shall be followed with such changes as are necessary to suit the case. In particular, an Applicant's submission shall be in two parts: (a) an application to become a Full Member, and (b) a submission challenging any or all of the other Applicant's submissions. For the purposes of the procedure in Regulations 1.30 to 1.40, part (b) of each Applicant's submission shall be treated as a submission challenging the other Applicant's part (a) submission pursuant to Regulation 1.31.
- 1.7.1 In determining a Contested Application the Applicant parties, and any official or body of the World Sailing considering Applications or any material arising there from shall consider the criteria set forth in 1.8 and 1.9.

Cases where there is either no Established National Organization meeting the above criteria or where there is a Contested Application (Case 3)

- 1.8 The suggestions in this section will comprise the criteria for all other cases. These will principally be:
 - (a) cases where there is not a National Authority covering the nation (such as a Club or an organization or one or more clubs who organize racing for themselves or others);
 - (b) where there are competing bodies claiming jurisdiction over sailing in general or particular kinds of sailing;
 - (c) cases where government authority have attempted or succeeded in forcing sailors into a government-sponsored organization but where there are independent organizations of sailors existing.
- 1.9 In general it will not be possible to require all of the criteria necessary in Case 1 for cases in Case 2. The overriding principle will be to choose the organization which represents the most sailors, or the most active sailors, and can best provide the services expected of a Member National Authority. It will be of paramount concern that the organization is organized to provide adequate representation of the club or sailor members:
 - (a) In Case 3 described in 1.8(a) and 1.8(b), it is assumed there will be one or more competently organized sailing organizations in the nation. It will be necessary to balance the degree of representation of sailing activity and the capability to provide adequate services in deciding what organization should be recognized. It should be recognized that in some situations World Sailing should encourage a reorganization of sailing within a country and that no membership should be accepted until a reasonable solution is found. It should also be recognized that separate organizations which govern only one aspect of sailing can apply for affiliate membership without being the Member National Authority;
 - (b) Recognition by the National Sports Authority will be a major positive criteria for acceptance as a member but not absolutely mandatory;

- (c) Recognition by the International Olympic Committee will also be a major positive criteria for acceptance and, except in unusual cases (such as inability to afford contesting in the Olympics), would be mandatory;
- (d) Criteria 1.3(e) and 1.3(f) of Case 1 would be less important in Cases 1.8(a) and 1.8(b);
- (e) Cases described in 1.8(c) are probably not capable of having specific mandatory criteria applied in advance. The criteria in Cases 1.3(a) to (f) and 1.10 would need to be considered. While great consideration should be given to a body which is recognized by either the national sports organization and/or the International Olympic Committee, it should be recognized that this alone is not necessarily sufficient. It should be recognized that where there is existing conflict between organizations purporting to represent sailors as a national authority, World Sailing may wish to make suggestions to allow a membership to be accepted.

Specific Requirements (applies to all applications under Regulations 1.3-1.9 inclusive)

- 1.10. In addition to the criteria set out in Regulations 1.3 to 1.7.1, an applicant shall have a Constitution which has been passed by a majority of the members at a meeting duly called for that purpose. The Constitution shall provide, among other things, for:
 - (a) reasonable representation of all sailing bodies which are members. Without limiting the foregoing, members shall include yacht and sailing clubs, multi-sport clubs which provide sailing, class associations, specialized sailing and sailing associations; and
 - (b) at least one annual meeting of members for which notice is provided of the meeting and the business to be conducted at the meeting;
- 1.10.1 However, where the circumstances in the country concerned are such that the provisions of paragraph 1.10.(a) are not practical, World Sailing shall be satisfied that such other arrangements have been made that represent the best interests of every class of members referred to in it. Where practical to do so, the Constitution or documents witnessing such other arrangement shall be approved by the members at a meeting duly called for that purpose.
- 1.11 The constitution or the document witnessing such other arrangements shall be approved by the Constitution Committee and referred to the Board for its approval and then to the Council for final approval.
- 1.12 Where the Constitution Committee considers that the applicant's constitution or other document does not meet either the requirements of Regulations 1.10(a) or 1.10(b) or where the Board or Council considers that for any other valid reason the applicant does not meet the requirements for full membership, the Board may recommend to the applicant that it becomes an Associate Member of World Sailing, in which case World Sailing shall provide the applicant with such advice and assistance as will enable it to apply for full membership in due course.

MNA autonomy and independence

- 1.13 Member National Authorities must comply with the following obligations:
 - (a) manage their internal affairs independently and ensure that no third party (whether state, government or private) interferes with their operations (however a Member National Authority may accept an appropriate level of control over its financial affairs in order to meet any conditions imposed on financial grants or allowances paid to it, provided that such control does not extend to interference in the Member National Authority's strategy or operations);

REGULATIONS

- (b) remain autonomous and resist any political, religious or financial pressure that may infringe on their obligations to observe the World Sailing Constitution and Regulations;
 - (c) report any interference (or attempted interference) to the Chief Executive Officer as soon as reasonably practicable;
 - (d) make provision for an election or internal appointment system that ensures complete independence of the Member National Authority from state, government or other public authority interference (provided that a Member National Authority may, in its discretion, elect representatives from those authorities); and
 - (e) not permit state, government or other public authorities to appoint members of the executive board (or equivalent) of the Member National Authority (provided that the Member National Authority may, in its discretion, permit a limited number of non-voting positions on such board to external representatives).
- 1.14 A Member National Authority may apply to the Chief Executive Officer for exemption from an obligation in Regulation 1.13. The Chief Executive Officer shall investigate the circumstances of the application and make a recommendation to the Board. The Board may then exempt a Member National Authority from an obligation in Regulation 1.13 provided that it is satisfied that the principles of autonomy, independence and freedom from government interference remain in place for the Member National Authority in question. The Board may impose conditions on its approval and may withdraw its approval at any time.
- 1.15 If, upon proper inquiry, the Board concludes that a Member National Authority is in breach of its obligations under Regulation 1.13, it may:
- (a) issue a formal warning to the Member National Authority and require it to take such measures as are necessary to comply with its obligations within a certain period of time; and/or
 - (b) not recognize the decisions made by the Member National Authority or any elections or appointments made by it; and/or
 - (c) suspend the Member National Authority and report the suspension to Council at its next meeting for ratification; and/or

Associate Membership

- 1.16 Associate Membership is available to territorial entities that meet the criteria in Article 4 and are approved under Article 5.1. Subject to the Articles, the following criteria shall be used when determining applications for Associate Membership:

At that meeting Council may reinstate, cancel or continue the suspension of membership on the recommendation of the Board.

Member Challenging the Membership of a Full Member

- The purpose of such an examination shall be to ensure that irrelevant matters shall be excluded from deliberations of the Council and that the Full Member concerned should have a proper opportunity to be informed and to answer the case that has been submitted in support of the cancellation of the membership of that Full Member.
- The Constitution Committee may also advise as to the details of the procedure to be followed in dealing with the submission provided that such advice is not contrary to the Articles and Regulations governing these proceedings.
- 1.31 A submission for the cancellation of the membership of a Full Member under Article 15 shall:

The official World Sailing grading form is available for download from the World Sailing website.

The form shall be completed by the event organizer, endorsed by the relevant Member National Authority and received by the Executive Office at least four months prior to the event. This may be by electronic mail. An event grading will then be allocated by World Sailing.

World Sailing will publish the dates for WC events on or before 15 October the year before. All event organizers applying either for Grade 1 or Grade 2 are invited to submit their dates before 1 November the year before. World Sailing will then establish a calendar of events.

Events dates will be allocated in the following order:

- WC events;
- Grade 1 events;
- Grade 2 events.

If two event dates clash and there is no possibility for one or both to select alternative dates, World Sailing shall decide the matter in its sole discretion which may include downgrading one of them.

The allocation of gradings by the Executive Office will be checked on a sample basis, as directed by the Chairman of the Match Racing Sub-committee. A report of event gradings will be made annually to the Match Race Committee.

(b) World Sailing Event Report

The organizers shall submit an World Sailing event report, including the results and other specified information, checked and signed by the Chief Umpire. (c) Re-grading of Events

Events may be re-graded retrospectively when there is clear reason to do so. An event applying to be up-graded retrospectively must satisfy World Sailing that it clearly meets all the criteria of the higher grading.

Application for upgrading shall be made at the time of submission of the results and be accompanied by an application form completed in full. The application form will be similar to the initial application form appropriate to the grade of event.

An event will only be downgraded when it fails to meet the criteria by a substantial margin, or when it does not comply with the administration requirements. Such a decision does not change the previous requirements as per Regulation 25.12.

When an event does not comply with World Sailing administrative procedures or fairness, the Match Race Rankings Sub-committee may recommend that World Sailing shall remove the event from the World Sailing calendar.

An event which failed to meet the criteria, regardless if the event was downgraded or not, may be granted a lower Grade when it applies for the next edition of that event.

(d) Invitations and acceptances

REGULATIONS

A skipper accepting an invitation but withdrawing within two months of the event may be reported by the organizer to the World Sailing. After review by World Sailing late withdrawals may receive a "zero" score, which must be counted for the competitor's ranking.

Invitations should be in writing and include the following statement:

"Should you accept this invitation and later withdraw within two months of the event or leave the event before the end without the written approval from the OA, it is possible for a zero score to be applied to your Ranking points for that event by World Sailing."

APPENDIX 2 – ANTI-DOPING CODE

21. ANTI-DOPING CODE

INTRODUCTION

Preface

These Anti-Doping Rules are adopted and implemented in accordance with World Sailing's responsibilities under the Code, and in furtherance of World Sailing's continuing efforts to eradicate doping in sport.

These Anti-Doping Rules are sport rules governing the conditions under which sport is played. Aimed at enforcing anti-doping principles in a global and harmonized manner, they are distinct in nature from criminal and civil laws, and are not intended to be subject to or limited by any national requirements and legal standards applicable to criminal or civil proceedings. When reviewing the facts and the law of a given case, all courts, arbitral tribunals and other adjudicating bodies should be aware of and respect the distinct nature of these Anti-Doping Rules implementing the Code and the fact that these rules represent the consensus of a broad spectrum of stakeholders around the world as to what is necessary to protect and ensure fair sport.

Fundamental Rationale for the Code and World Sailing's Anti-Doping Rules

Anti-doping programs seek to preserve what is intrinsically valuable about sport. This intrinsic value is often referred to as "the spirit of sport". It is the essence of Olympism, the pursuit of human excellence through the dedicated perfection of each person's natural talents. It is how we play true. The spirit of sport is the celebration of the human spirit, body and mind, and is reflected in values we find in and through sport, including:

- Ethics, fair play and honesty
- Health
- Excellence in performance
- Character and education
- Fun and joy
- Teamwork
- Dedication and commitment
- Respect for rules and laws
- Respect for self and other *Participants*
- Courage
- Community and solidarity

Doping is fundamentally contrary to the spirit of sport.

Scope of these Anti-Doping Rules

These Anti-Doping Rules shall apply to World Sailing and to each of its *Member National Authorities (MNAs)*. They also apply to the following *Athletes, Athlete Support Personnel* and other *Persons*, each of whom is deemed, as a condition of his/her membership, accreditation and/or participation in the sport, to have agreed to be bound by these Anti-Doping Rules, and to have submitted to the authority of World Sailing to enforce these Anti-Doping Rules and to the jurisdiction of the hearing panels specified in Regulation 21.8 and Regulation 21.13 to hear and determine cases and appeals brought under these Anti-Doping Rules:

- (a) all *Athletes* and *Athlete Support Personnel* who are members of World Sailing, or of any *MNA*, or of any member or affiliate organization of any *MNA* (including any clubs, teams, associations or leagues);
- (b) all *Athletes* and *Athlete Support Personnel* participating in such capacity in *Events, Competitions* and other activities organized, convened, authorized or recognized by

- World Sailing, or any *MNA*, or any member or affiliate organization of any *MNA* (including any clubs, teams, associations or leagues), wherever held;
- (c) any other *Athlete* or *Athlete Support Personnel* or other *Person* who, by virtue of an accreditation, a licence or other contractual arrangement, or otherwise, is subject to the jurisdiction of World Sailing, or of any *MNA*, or of any member or affiliate organization of any *MNA* (including any clubs, teams, associations or leagues), for purposes of anti-doping; and
- (d) *Athletes* who are not regular members of World Sailing or of one of its *MNAs* but who want to be eligible to compete in a particular *International Event*. World Sailing may include such *Athletes* in its *Registered Testing Pool* so that they are required to provide information about their whereabouts for purposes of *Testing* under these Anti-Doping Rules for at least one month prior to the *International Event* in question.

Within the overall pool of *Athletes* set out above who are bound by and required to comply with these Anti-Doping Rules, the following *Athletes* shall be considered to be *International-Level Athletes* for purposes of these Anti-Doping Rules, and therefore the specific provisions in these Anti-Doping Rules applicable to *International-Level Athletes* (as regards *Testing* but also as regards *TUEs*, whereabouts information, results management, and appeals) shall apply to such *Athletes*:

- (a) *Athletes* who compete in any of the following *International Events*:
- Sailing World Cup
 - Sailing World Championship
 - Youth Sailing World Championships
 - Para World Sailing Championship
 - Olympic Games
 - Paralympic Games

and any other events that World Sailing adds to the recognized International Events on the World Sailing Anti-Doping microsite found at www.sailing.org.

Thus, for example, the fact that an <i>Athlete</i> would lose the opportunity to earn large sums of money during a period of <i>Ineligibility</i>, or the fact that the <i>Athlete</i> only has a short time left in his or her career, or the timing of the sporting calendar, would not be relevant factors to be considered in reducing the period of <i>Ineligibility</i> under Regulation 21.10.5(a) or 21.10.5(b).</p>

21.1 Definition of Doping

21.1 Doping is defined as the occurrence of one or more of the anti-doping rule violations set forth in Regulation 21.2.1 through Regulation 21.2.10 of these Anti-Doping Rules.

21.2 Anti-Doping Rule Violations

21.2 The purpose of Regulation 21.2 is to specify the circumstances and conduct which constitute anti-doping rule violations. Hearings in doping cases will proceed based on the assertion that one or more of these specific rules have been violated.

Athletes or other *Persons* shall be responsible for knowing what constitutes an anti-doping rule violation and the substances and methods which have been included on the *Prohibited List*.

The following constitute anti-doping rule violations:

21.2.1 Presence of a *Prohibited Substance* or its *Metabolites* or *Markers* in an *Athlete's Sample*

- (a) It is each *Athlete's* personal duty to ensure that no *Prohibited Substance* enters his or her body. *Athletes* are responsible for any *Prohibited Substance* or its *Metabolites* or *Markers* found to be present in their *Samples*. Accordingly, it is

not necessary that intent, *Fault*, negligence or knowing *Use* on the *Athlete's* part be demonstrated in order to establish an anti-doping rule violation under Regulation 21.2.1.

- (b) Sufficient proof of an anti-doping rule violation under Regulation 21.2.1 is established by any of the following: presence of a *Prohibited Substance* or its *Metabolites* or *Markers* in the *Athlete's A Sample* where the *Athlete* waives analysis of the *B Sample* and the *B Sample* is not analyzed; or, where the *Athlete's B Sample* is analyzed and the analysis of the *Athlete's B Sample* confirms the presence of the *Prohibited Substance* or its *Metabolites* or *Markers* found in the *Athlete's A Sample*; or, where the *Athlete's B Sample* is split into two bottles and the analysis of the second bottle confirms the presence of the *Prohibited Substance* or its *Metabolites* or *Markers* found in the first bottle
- (c) Excepting those substances for which a quantitative threshold is specifically identified in the *Prohibited List*, the presence of any quantity of a *Prohibited Substance* or its *Metabolites* or *Markers* in an *Athlete's Sample* shall constitute an anti-doping rule violation.
- (d) As an exception to the general rule of Regulation 21.2.1, the *Prohibited List* or *International Standards* may establish special criteria for the evaluation of *Prohibited Substances* that can also be produced endogenously.

21.2.2 *Use or Attempted Use by an Athlete of a Prohibited Substance or a Prohibited Method*

- (a) It is each *Athlete's* personal duty to ensure that no *Prohibited Substance* enters his or her body and that no *Prohibited Method* is Used. Accordingly, it is not necessary that intent, *Fault*, negligence or knowing *Use* on the *Athlete's* part be demonstrated in order to establish an anti-doping rule violation for *Use* of a *Prohibited Substance* or a *Prohibited Method*.
- (b) The success or failure of the *Use* or Attempted *Use* of a *Prohibited Substance* or *Prohibited Method* is not material. It is sufficient that the *Prohibited Substance* or *Prohibited Method* was Used or Attempted to be Used for an anti-doping rule violation to be committed.

21.2.3 *Evading, Refusing or Failing to Submit to Sample Collection*

Evading *Sample* collection, or without compelling justification refusing or failing to submit to *Sample* collection after notification as authorized in these Anti-Doping Rules or other applicable anti-doping rules.

21.2.4 *Whereabouts Failures*

Any combination of three missed tests and/or filing failures, as defined in the *International Standard for Testing and Investigations*, within a twelve-month period by an *Athlete* in a *Registered Testing Pool*.

21.2.5 *Tampering or Attempted Tampering with any part of Doping Control*

Conduct which subverts the *Doping Control* process but which would not otherwise be included in the definition of *Prohibited Methods*. *Tampering* shall include, without limitation, intentionally interfering or attempting to interfere with a *Doping Control* official, providing fraudulent information to an *Anti-Doping Organization*, or intimidating or attempting to intimidate a potential witness.

21.2.6 *Possession of a Prohibited Substance or a Prohibited Method*

- (a) *Possession* by an *Athlete In-Competition* of any *Prohibited Substance* or any *Prohibited Method*, or *Possession* by an *Athlete Out-of-Competition* of any *Prohibited Substance* or any *Prohibited Method* which is prohibited *Out-of-Competition* unless the *Athlete* establishes that the *Possession* is consistent

with a TUE granted in accordance with Regulation 21.4.4 or other acceptable justification.

- (b) *Possession by an Athlete Support Person In-Competition of any Prohibited Substance or any Prohibited Method, or Possession by an Athlete Support Person Out-of-Competition of any Prohibited Substance or any Prohibited Method* which is prohibited *Out-of-Competition* in connection with an *Athlete, Competition* or training, unless the *Athlete Support Person* establishes that the *Possession* is consistent with a TUE granted to an *Athlete* in accordance with Regulation 21.4.4 or other acceptable justification.

21.2.7 *Trafficking or Attempted Trafficking*

Trafficking or Attempted Trafficking in any *Prohibited Substance* or *Prohibited Method*.

21.2.8 *Administration or Attempted Administration*

Administration or Attempted Administration to any *Athlete In-Competition* of any *Prohibited Substance* or *Prohibited Method*, or *Administration or Attempted Administration* to any *Athlete Out-of-Competition* of any *Prohibited Substance* or any *Prohibited Method* that is prohibited *Out-of-Competition*.

21.2.9 *Complicity*

Assisting, encouraging, aiding, abetting, conspiring, covering up or any other type of intentional complicity involving an anti-doping rule violation, *Attempted* anti-doping rule violation or violation of Regulation 21.10.12(a) by another *Person*.

21.2.10 *Prohibited Association*

Association by an *Athlete* or other *Person* subject to the authority of an *Anti-Doping Organization* in a professional or sport-related capacity with any *Athlete Support Person* who:

- (a) if subject to the authority of an *Anti-Doping Organization*, is serving a period of *Ineligibility*; or
- (b) if not subject to the authority of an *Anti-Doping Organization* and where *Ineligibility* has not been addressed in a results management process pursuant to the *Code*, has been convicted or found in a criminal, disciplinary or professional proceeding to have engaged in conduct which would have constituted a violation of anti-doping rules if *Code*-compliant rules had been applicable to such *Person*. The disqualifying status of such *Person* shall be in force for the longer of six years from the criminal, professional or disciplinary decision or the duration of the criminal, disciplinary or professional sanction imposed; or
- (c) is serving as a front or intermediary for an individual described in Regulation 21.2.10(a) or 21.2.10(b).

In order for this provision to apply, it is necessary that the *Athlete* or other *Person* has previously been advised in writing by an *Anti-Doping Organization* with jurisdiction over the *Athlete* or other *Person*, or by WADA, of the *Athlete Support Person's* disqualifying status and the potential *Consequence* of prohibited association and that the *Athlete* or other *Person* can reasonably avoid the association. The *Anti-Doping Organization* shall also use reasonable efforts to advise the *Athlete Support Person* who is the subject of the notice to the *Athlete* or other *Person* that the *Athlete Support Person* may, within 15 days, come forward to the *Anti-Doping Organization* to explain that the criteria described in Regulations 21.2.10(a) and 21.2.10(b) do not apply to him or her. (Notwithstanding Regulation 21.17, this Regulation applies even when the *Athlete Support Person's* disqualifying conduct occurred prior to the effective date provided in Regulation 21.20.7.)

The burden shall be on the *Athlete* or other *Person* to establish that any association with *Athlete Support Personnel* described in Regulation 21.2.10(a) and 21.2.10(b) is not in a professional or sport-related capacity.

Anti-Doping Organizations that are aware of *Athlete Support Personnel* who meet the criteria described in Regulation 21.2.10(a) and 21.2.10(b) or 21.2.10(c) shall submit that information to WADA.

21.3 Proof of Doping

21.3.1 Burdens and Standards of Proof

World Sailing and its MNAs shall have the burden of establishing that an anti-doping rule violation has occurred. The standard of proof shall be whether World Sailing has established an anti-doping rule violation to the comfortable satisfaction of the hearing panel bearing in mind the seriousness of the allegation which is made. This standard of proof in all cases is greater than a mere balance of probability but less than proof beyond a reasonable doubt. Where these Anti-Doping Rules place the burden of proof upon the *Athlete* or other *Person* alleged to have committed an anti-doping rule violation to rebut a presumption or establish specified facts or circumstances, the standard of proof shall be by a balance of probability.

21.3.2 Methods of Establishing Facts and Presumptions

Facts related to anti-doping rule violations may be established by any reliable means, including admissions. The following rules of proof shall be applicable in doping cases:

- (a) Analytical methods or decision limits approved by WADA after consultation within relevant scientific community and which have been the subject of peer review are presumed to be scientifically valid. Any *Athlete* or other *Person* seeking to rebut this presumption of scientific validity shall, as a condition precedent to any such challenge, first notify WADA of the challenge and the basis of the challenge. CAS on its own initiative may also inform WADA of any such challenge. At WADA's request, the CAS panel shall appoint an appropriate scientific expert to assist the panel in its evaluation of the challenge. Within 10 days of WADA's receipt of such notice, and WADA's receipt of the CAS file, WADA shall also have the right to intervene as a party, appear amicus curiae, or otherwise provide evidence in such proceeding.
- (b) WADA-accredited laboratories, and other laboratories approved by WADA, are presumed to have conducted *Sample* analysis and custodial procedures in accordance with the International Standard for Laboratories. The *Athlete* or other *Person* may rebut this presumption by establishing that a departure from the International Standard for Laboratories occurred which could reasonably have caused the *Adverse Analytical Finding*. If the *Athlete* or other *Person* rebuts the preceding presumption by showing that a departure from the International Standard for Laboratories occurred which could reasonably have caused the *Adverse Analytical Finding*, then World Sailing shall have the burden to establish that such departure did not cause the *Adverse Analytical Finding*.
- (c) Departures from any other International Standard or other anti-doping rule or policy set forth in the Code or these Anti-Doping Rules which did not cause an *Adverse Analytical Finding* or other anti-doping rule violation shall not invalidate such evidence or results. If the *Athlete* or other *Person* establishes a departure from another International Standard or other anti-doping rule or policy which could reasonably have caused an anti-doping rule violation based on an *Adverse Analytical Finding* or other anti-doping rule violation, then World Sailing shall have the burden to establish that such departure did not cause the *Adverse Analytical Finding* or the factual basis for the anti-doping rule violation.
- (d) The facts established by a decision of a court or professional disciplinary tribunal

of competent jurisdiction which is not the subject of a pending appeal shall be irrebuttable evidence against the *Athlete* or other *Person* to whom the decision pertained of those facts unless the *Athlete* or other *Person* establishes that the decision violated principles of natural justice.

- (e) The hearing panel in a hearing on an anti-doping rule violation may draw an inference adverse to the *Athlete* or other *Person* who is asserted to have committed an anti-doping rule violation based on the *Athlete's* or other *Person's* refusal, after a request made in a reasonable time in advance of the hearing, to appear at the hearing (either in person or telephonically as directed by the hearing panel) and to answer questions from the hearing panel or World Sailing.

21.4 The Prohibited List

21.4.1 Incorporation of the Prohibited List

These Anti-Doping Rules incorporate the *Prohibited List*, which is published and revised by WADA as described in Article 4.1 of the *Code*.

21.4.2 Prohibited Substances and Prohibited Methods Identified on the Prohibited List

- (a) *Prohibited Substances and Prohibited Methods*

Unless provided otherwise in the *Prohibited List* and/or a revision, the *Prohibited List* and revisions shall go into effect under these Anti-Doping Rules three months after publication by WADA, without requiring any further action by World Sailing or its MNAs. All *Athletes* and other *Persons* shall be bound by the *Prohibited List*, and any revisions thereto, from the date they go into effect, without further formality. It is the responsibility of all *Athletes* and other *Persons* to familiarize themselves with the most up-to-date version of the *Prohibited List* and all revisions thereto.

- (b) *Specified Substances*

For purposes of the application of Regulation 21.10, all *Prohibited Substances* shall be *Specified Substances* except substances in the classes of anabolic agents and hormones and those stimulants and hormone antagonists and modulators so identified on the *Prohibited List*. The category of *Specified Substances* shall not include *Prohibited Methods*.

21.4.3 WADA's Determination of the Prohibited List

WADA's determination of the *Prohibited Substances* and *Prohibited Methods* that will be included on the *Prohibited List*, the classification of substances into categories on the *Prohibited List*, and the classification of a substance as prohibited at all times or *In-Competition* only, is final and shall not be subject to challenge by an *Athlete* or other *Person* based on an argument that the substance or method was not a masking agent or did not have the potential to enhance performance, represent a health risk or violate the spirit of sport.

21.4.4 Therapeutic Use Exemptions ("TUEs")

- (a) The presence of a *Prohibited Substance* or its *Metabolites* or *Markers*, and/or the *Use* or *Attempted Use*, *Possession* or *Administration* or *Attempted Administration* of a *Prohibited Substance* or *Prohibited Method*, shall not be considered an anti-doping rule violation if it is consistent with the provisions of a *TUE* granted in accordance with the International Standard for Therapeutic Use Exemptions.
- (b) If an *International-Level Athlete* is using a *Prohibited Substance* or a *Prohibited Method* for therapeutic reasons:
 - (i) Where the *Athlete* already has a *TUE* granted by his or her *National Anti Doping Organization* for the substance or method in question, that *TUE* is

not automatically valid for international-level *Competition*. However, the *Athlete* may apply to World Sailing to recognize that *TUE*, in accordance with Article 7 of the International Standard for Therapeutic Use Exemptions. If that *TUE* meets the criteria set out in the International Standard for Therapeutic Use Exemptions, then World Sailing shall recognize it for purposes of international-level *Competition* as well. If World Sailing considers that the *TUE* does not meet those criteria and so refuses to recognize it, World Sailing shall notify the *Athlete* and his or her *National Anti-Doping Organization* promptly, with reasons. The *Athlete* and the *National Anti-Doping Organization* shall have 21 days from such notification to refer the matter to *WADA* for review in accordance with Regulation 21.4.4(f). If the matter is referred to *WADA* for review, the *TUE* granted by the *National Anti-Doping Organization* remains valid for national-level *Competition* and *Out-of-Competition Testing* (but is not valid for international-level *Competition*) pending *WADA*'s decision. If the matter is not referred to *WADA* for review, the *TUE* becomes invalid for any purpose when the 21-day review deadline expires.

- (ii) If the *Athlete* does not already have a *TUE* granted by his/her *National Anti-Doping Organization* for the substance or method in question, the *Athlete* must apply directly to World Sailing for a *TUE* in accordance with the process set out in the International Standard for Therapeutic Use Exemptions, using the form posted on World Sailing's website at <http://www.sailing.org/sailors/antidoping/documents.php>. If World Sailing denies the *Athlete*'s application, it must notify the *Athlete* promptly, with reasons. If World Sailing grants the *Athlete*'s application, it shall notify not only the *Athlete* but also his/her *National Anti-Doping Organization*. If the *National Anti-Doping Organization* considers that the *TUE* granted by World Sailing does not meet the criteria set out in the International Standard for Therapeutic Use Exemptions, it has 21 days from such notification to refer the matter to *WADA* for review in accordance with Regulation 21.4.4(f). If the *National Anti-Doping Organization* refers the matter to *WADA* for review, the *TUE* granted by World Sailing remains valid for international-level *Competition* and *Out-of-Competition Testing* (but is not valid for national-level *Competition*) pending *WADA*'s decision. If the *National Anti-Doping Organization* does not refer the matter to *WADA* for review, the *TUE* granted by World Sailing becomes valid for national-level *Competition* as well when the 21-day review deadline expires.
- (c) If World Sailing chooses to test an *Athlete* who is not an *International-Level Athlete*, World Sailing shall recognize a *TUE* granted to that *Athlete* by his or her *National Anti-Doping Organization*. If World Sailing chooses to test an *Athlete* who is not an *International-Level* or a *National-Level Athlete*, World Sailing shall permit that *Athlete* to apply for a retroactive *TUE* for any *Prohibited Substance* or *Prohibited Method* that he/she is using for therapeutic reasons.
- (d) An application to World Sailing for grant or recognition of a *TUE* must be made as soon as the need arises and in any event (save in emergency or exceptional situations or where Article 4.3 of the International Standard for Therapeutic Use Exemptions applies) at least 30 days before the *Athlete*'s next *Competition*. World Sailing shall appoint a panel to consider applications for the grant or recognition of *TUEs* (the "*TUE Committee*"). The *TUE Committee* shall promptly evaluate and decide upon the application in accordance with the relevant provisions of the International Standard for Therapeutic Use Exemptions. Its decision shall be the final decision of World Sailing, and shall be reported to *WADA* and other relevant *Anti-Doping Organizations*, including the *Athlete's National Anti-Doping Organization*, through *ADAMS*, in accordance with the International Standard for Therapeutic Use Exemptions.

REGULATIONS

- (i) In offshore races of more than 50 nautical miles, the use of any *Prohibited Substance* or *Prohibited Methods* for emergency medical treatment shall be recorded. The TUE Committee may approve such *Use* and *Possession* of such medications as reasonably required if the acute situation or exceptional circumstances are confirmed to the satisfaction of the TUE Committee.
 - (ii) If any *Prohibited Substances* carried on board are used, an explanation satisfactory to the TUE Committee will need to be provided and the process for consideration of retroactive approval of a TUE will take place.
 - (iii) With the approval of the World Sailing or a Member National Authority or National Olympic Committee (NOC), a team doctor or a doctor who is responsible for sailing competitors, officials and others in the care of that doctor, may carry and employ such medications as the circumstances may require and as might be properly used in the undertaking of the Hippocratic oath. The TUE Committee may retroactively approve such *Use*.
- (e) Expiration, Cancellation, Withdrawal or Reversal of a *TUE*
- (i) A *TUE* granted pursuant to these Anti-Doping Rules:
 - 1. shall expire automatically at the end of any term for which it was granted, without the for any further notice or other formality;
 - 2. may be cancelled if the Athlete does not promptly comply with any requirements or conditions imposed by the TUE Committee upon grant of the *TUE*;
 - 3. may be withdrawn by the TUE Committee if it is subsequently determined that the criteria for grant of a *TUE* are not in fact met; or
 - 4. may be reversed on review by *WADA* or on appeal.
 - (ii) In such event, the *Athlete* shall not be subject to any *Consequences* based on his/her *Use* or *Possession* or *Administration* of the *Prohibited Substance* or *Prohibited Method* in question in accordance with the *TUE* prior to the effective date of expiry, cancellation, withdrawal or reversal of the *TUE*. The review pursuant to Regulation 21.7.2 of any subsequent *Adverse Analytical Finding* shall include consideration of whether such finding is consistent with *Use* of the *Prohibited Substance* or *Prohibited Method* prior to that date, in which event no anti-doping rule violation shall be asserted.
- (f) Reviews and Appeals of *TUE* Decisions
- (i) *WADA* shall review any decision by World Sailing not to recognize a *TUE* granted by the *National Anti-Doping Organization* that is referred to *WADA* by the *Athlete* or the *Athlete's National Anti-Doping Organization*. In addition, *WADA* shall review any decision by World Sailing to grant a *TUE* that is referred to *WADA* by the *Athlete's National Anti-Doping Organization*. *WADA* may review any other *TUE* decisions at any time, whether upon request by those affected or on its own initiative. If the *TUE* decision being reviewed meets the criteria set out in the International Standard for Therapeutic Use Exemptions, *WADA* will not interfere with it. If the *TUE* decision does not meet those criteria, *WADA* will reverse it.
 - (ii) Any *TUE* decision by World Sailing (or by a *National Anti-Doping Organization* where it has agreed to consider the application on behalf of World Sailing) that is not reviewed by *WADA*, or that is reviewed by *WADA* but is not reversed upon review, may be appealed by the *Athlete*

and/or the *Athlete's National Anti-Doping Organization* exclusively to CAS, in accordance with Regulation 21.13.

- (iii) A decision by WADA to reverse a *TUE* decision may be appealed by the *Athlete*, the *National Anti-Doping Organization* and/or World Sailing exclusively to CAS, in accordance with Regulation 21.13.
- (iv) A failure to take action within a reasonable time on a properly submitted application for grant or recognition of a *TUE* or for review of a *TUE* decision shall be considered a denial of the application.

21.5 Testing and Investigations

21.5.1 Purpose of *Testing* and Investigations

Testing and investigations shall only be undertaken for anti-doping purposes. They shall be conducted in conformity with the provisions of the International Standard for Testing and Investigations and the specific protocols of World Sailing supplementing that International Standard (see Annexe 3)

- (a) *Testing* shall be undertaken to obtain analytical evidence as to the *Athlete's* compliance (or non-compliance) with the strict *Code* prohibition on the presence/Use of a *Prohibited Substance* or *Prohibited Method*. Test distribution planning, *Testing*, post-*Testing* activity and all related activities conducted by World Sailing shall be in conformity with the International Standard for Testing and Investigations. World Sailing shall determine the number of finishing placement tests, random tests and target tests to be performed, in accordance with the criteria established by the International Standard for Testing and Investigations. All provisions of the International Standard for Testing and Investigations shall apply automatically in respect of all such *Testing*.
- (b) Investigations shall be undertaken:
 - (i) in relation to *Atypical Findings*, *Atypical Passport Findings* and *Adverse Passport Findings*, in accordance with Regulations 21.7.4 and 21.7.5 respectively, gathering intelligence or evidence (including, in particular, analytical evidence) in order to determine whether an anti-doping rule violation has occurred under Regulation 21.2.1 and/or Regulation 21.2.2; and
 - (ii) in relation to other indications of potential anti-doping rule violations, in accordance with Regulations 21.7.6 and 21.7.7, gathering intelligence or evidence (including, in particular, non-analytical evidence) in order to determine whether an anti-doping rule violation has occurred under any of Regulations 21.2.2 to 21.2.10.
- (c) World Sailing may obtain, assess and process anti-doping intelligence from all available sources, to inform the development of an effective, intelligent and proportionate test distribution plan, to plan *Target Testing*, and/or to form the basis of an investigation into a possible anti-doping rule violation(s).

21.5.2 Authority to conduct *Testing*

- (a) Subject to the jurisdictional limitations for *Event Testing* set out in Article 5.3 of the *Code*, World Sailing shall have *In-Competition* and *Out-of-Competition Testing* authority over all of the *Athletes* specified in the Introduction to these Anti-Doping Rules (under the heading "Scope").
- (b) World Sailing may require any *Athlete* over whom it has *Testing* authority (including any *Athlete* serving a period of *Ineligibility*) to provide a *Sample* at any time and at any place.

- (c) WADA shall have *In-Competition and Out-of-Competition Testing* authority as set out in Article 20.7.8 of the *Code*.
- (d) If World Sailing delegates or contracts any part of *Testing* to a *National Anti-Doping Organization* (directly or through a MNA), that *National Anti-Doping Organization* may collect additional *Samples* or direct the laboratory to perform additional types of analysis at the *National Anti-Doping Organization's* expense. If additional *Samples* are collected or additional types of analysis are performed, World Sailing shall be notified.

21.5.3 Event Testing

- (a) Except as provided in Article 5.3 of the *Code*, only a single organization should be responsible for initiating and directing *Testing* at *Event Venues* during an *Event Period*. At *International Events*, the collection of *Samples* shall be initiated and directed by World Sailing (or any other international organization which is the ruling body for the *Event*). At the request of World Sailing (or any other international organization which is the ruling body for an *Event*), any *Testing* during the *Event Period* outside of the *Event Venues* shall be coordinated with World Sailing (or the relevant ruling body of the *Event*).
- (b) If an *Anti-Doping Organization* which would otherwise have *Testing* authority but is not responsible for initiating and directing *Testing* at an *Event* desires to conduct *Testing of Athletes* at the *Event Venues* during the *Event Period*, the *Anti-Doping Organization* shall first confer with World Sailing (or any other international organization which is the ruling body of the *Event*) to obtain permission to conduct and coordinate such *Testing*.

If the *Anti-Doping Organization* is not satisfied with the response from World Sailing (or any other international organization which is the ruling body of the *Event*), the *Anti-Doping Organization* may ask WADA for permission to conduct *Testing* and to determine how to coordinate such *Testing*, in accordance with the procedures set out in the International Standard for Testing and Investigations. WADA shall not grant approval for such *Testing* before consulting with and informing World Sailing (or any other international organization which is the ruling body for the *Event*).

WADA's decision shall be final and not subject to appeal. Unless otherwise provided in the authorization to conduct *Testing*, such tests shall be considered *Out-of-Competition* tests. Results management for any such test shall be the responsibility of the *Anti-Doping Organization* initiating the test unless provided otherwise in the rules of the ruling body of the *Event*.

21.5.4 Test Distribution Planning

Consistent with the International Standard for Testing and Investigations, and in coordination with other *Anti-Doping Organizations* conducting *Testing* on the same *Athletes*, World Sailing shall develop and implement an effective, intelligent and proportionate test distribution plan that prioritizes appropriately between disciplines, categories of *Athletes*, types of *Testing*, types of *Samples* collected, and types of *Sample* analysis, all in compliance with the requirements of the International Standard for Testing and Investigations. World Sailing shall provide WADA upon request with a copy of its current test distribution plan.

21.5.5 Coordination of Testing

Where reasonably feasible, *Testing* shall be coordinated through ADAMS or another system approved by WADA in order to maximize the effectiveness of the combined *Testing* effort and to avoid unnecessary repetitive *Testing*.

21.5.6 *Athlete Whereabouts Information*

- (a) World Sailing shall identify a *Registered Testing Pool* of those *Athletes* who are required to comply with the whereabouts requirements of Annex I to the International Standard for Testing and Investigations, and shall make available through ADAMS, a list which identifies those *Athletes* included in its *Registered Testing Pool* either by name or by clearly defined, specific criteria. World Sailing shall coordinate with *National Anti-Doping Organizations* the identification of such *Athletes* and the collection of their whereabouts information.

World Sailing shall review and update as necessary its criteria for including *Athletes* in its *Registered Testing Pool*, and shall revise the membership of its *Registered Testing Pool* from time to time as appropriate in accordance with the set criteria. *Athletes* shall be notified before they are included in a *Registered Testing Pool* and when they are removed from that pool.

Each *Athlete* in the *Registered Testing Pool* shall do the following, in each case in accordance with Annex I to the International Standard for Testing and Investigations:

- (i) advise World Sailing of his/her whereabouts on a quarterly basis;
 - (ii) update that information as necessary so that it remains accurate and complete at all times; and
 - (iii) make him/herself available for *Testing* at such whereabouts.
- (b) For purposes of Regulation 21.2.4, an *Athlete's* failure to comply with the requirements of the International Standard for Testing and Investigations shall be deemed a filing failure or a missed test (as defined in the International Standard for Testing and Investigations) where the conditions set forth in the International Standard for Testing and Investigations for declaring a filing failure or missed test are met.
- (c) An *Athlete* in World Sailing's *Registered Testing Pool* shall continue to be subject to the obligation to comply with the whereabouts requirements of Annex I to the International Standard for Testing and Investigations unless and until:
 - (i) the *Athlete* gives written notice to World Sailing that he/she has retired; or
 - (ii) World Sailing has informed him or her that he/she no longer satisfies the criteria for inclusion in World Sailing's *Registered Testing Pool*.
- (d) Whereabouts information relating to an *Athlete* shall be shared (through ADAMS) with WADA and other *Anti-Doping Organizations* having authority to test that *Athlete*, shall be maintained in strict confidence at all times, shall be used exclusively for the purposes set out in Article 5.6 of the *Code*, and shall be destroyed in accordance with the International Standard for the Protection of Privacy and Personal Information once it is no longer relevant for these purposes.

21.5.7 *Retired Athletes Returning to Competition*

- (a) An *Athlete* in World Sailing's *Registered Testing Pool* who has given notice of retirement to World Sailing may not resume competing in *International Events* or *National Events* until he/she has given World Sailing written notice of his/her intent to resume competing and has made him/herself available for *Testing* for a period of six months before returning to *Competition*, including (if requested) complying with the whereabouts requirements of Annex I to the International Standard for Testing and Investigations. WADA, in consultation with World Sailing and the *Athlete's National Anti-Doping Organization*, may grant an exemption to the six-month written notice rule where the strict application of that

rule would be manifestly unfair to an *Athlete*. This decision may be appealed under Regulation 21.13. Any competitive results obtained in violation of this Regulation 21.5.7(a) shall be *Disqualified*.

- (b) If an *Athlete* retires from sport while subject to a period of *Ineligibility*, the *Athlete* shall not resume competing in *International Events* or *National Events* until the *Athlete* has given six months prior written notice (or notice equivalent to the period of *Ineligibility* remaining as of the date the *Athlete* retired, if that period was longer than six months) to World Sailing and to his/her *National Anti-Doping Organization* of his/her intent to resume competing and has made him/herself available for *Testing* for that notice period, including (if requested) complying with the whereabouts requirements of Annex I to the International Standard for Testing and Investigations.

21.5.8 Independent Observer Program

World Sailing and the organizing committees for World Sailing's *Events*, as well as the *MNAs* and the organizing committees for *National Events*, shall authorize and facilitate the *Independent Observer Program* at such *Events*.

21.6 Analysis of Samples

21.6 *Samples* shall be analyzed in accordance with the following principles

21.6.1 Use of Accredited and Approved Laboratories

For purposes of Regulation 21.2.1, *Samples* shall be analyzed only in *WADA*-accredited laboratories or laboratories otherwise approved by *WADA*. The choice of the *WADA*-accredited or *WADA*-approved laboratory used for the *Sample* analysis shall be determined exclusively by the *Anti-Doping Organization* responsible for results management.

21.6.2 Purpose of Analysis of Samples

- (a) *Samples* shall be analyzed to detect *Prohibited Substances* and *Prohibited Methods* and other substances as may be directed by *WADA* pursuant to the Monitoring Program described in Article 4.5 of the *Code*; or to assist World Sailing in profiling relevant parameters in an *Athlete's* urine, blood or other matrix, including DNA or genomic profiling; or for any other legitimate anti-doping purpose. *Samples* may be collected and stored for future analysis.
- (b) World Sailing shall ask laboratories to analyze *Samples* in conformity with Article 6.4 of the *Code* and Article 4.7 of the International Standard for Testing and Investigations.

21.6.3 Research on Samples

No *Sample* may be used for research without the *Athlete's* written consent. *Samples* used for purposes other than Regulation 21.6.2 shall have any means of identification removed such that they cannot be traced back to a particular *Athlete*.

21.6.4 Standards for Sample Analysis and Reporting

Laboratories shall analyze *Samples* and report results in conformity with the International Standard for Laboratories. To ensure effective *Testing*, the Technical Document referenced at Article 5.4.1 of the *Code* will establish risk assessment-based *Sample* analysis menus appropriate for particular sports and sport disciplines, and laboratories shall analyze *Samples* in conformity with those menus, except as follows:

- (a) World Sailing may request that laboratories analyze its *Samples* using more extensive menus than those described in the Technical Document.

- (b) World Sailing may request that laboratories analyze its *Samples* using less extensive menus than those described in the Technical Document only if it has satisfied WADA that, because of the particular circumstances of its sport, as set out in its test distribution plan, less extensive analysis would be appropriate.
- (c) As provided in the International Standard for Laboratories, laboratories at their own initiative and expense may analyze *Samples* for *Prohibited Substances* or *Prohibited Methods* not included on the *Sample* analysis menu described in the Technical Document or specified by the *Testing* authority. Results from any such analysis shall be reported and have the same validity and consequence as any other analytical result.

21.6.5 Further Analysis of *Samples*

Any *Sample* may be stored and subsequently subjected to further analysis for the purposes set out in Regulation 21.6.2:

- (a) by WADA at any time; and/or
- (b) by World Sailing at any time,

before both the A and B *Sample* analytical results (or A *Sample* result where B *Sample* analysis has been waived or will not be performed) have been communicated by World Sailing to the *Athlete* as the asserted basis for an Regulation 21.2.1 anti-doping rule violation. Such further analysis of *Samples* shall conform with the requirements of the International Standard for Laboratories and the International Standard for Testing and Investigations.

21.7 Results Management

21.7.1 Responsibility for Conducting Results Management

The circumstances in which World Sailing shall take responsibility for conducting results management in respect of anti-doping rule violations involving *Athletes* and other *Persons* under its jurisdiction shall be determined by reference to and in accordance with Article 7 of the *Code*.

21.7.2 Review of *Adverse Analytical Findings* From Tests Initiated by World Sailing

Results management in respect of the results of tests initiated by World Sailing (including tests performed by WADA pursuant to agreement with World Sailing) shall proceed as follows:

- (a) The results from all analyses must be sent to World Sailing in encoded form, in a report signed by an authorized representative of the laboratory. All communication must be conducted confidentially and in conformity with *ADAMS*.
- (b) Upon receipt of an *Adverse Analytical Finding*, World Sailing shall conduct a review to determine whether:
 - (i) an applicable *TUE* has been granted or will be granted as provided in the International Standard for Therapeutic Use Exemptions, or
 - (ii) there is any apparent departure from the International Standard for Testing and Investigations or International Standard for Laboratories that caused the *Adverse Analytical Finding*.
- (c) If the review of an *Adverse Analytical Finding* under Regulation 21.7.2(b) reveals an applicable *TUE* or departure from the International Standard for Testing and Investigations or the International Standard for Laboratories that caused the *Atypical Finding*, the entire test shall be considered negative and the *Athlete*, the *Athlete's National Anti-Doping Organization* and WADA shall be so informed.

21.7.3 Notification After Review Regarding *Adverse Analytical Findings*

- (a) If the review of an *Adverse Analytical Finding* under Regulation 21.7.2(b) does not reveal an applicable TUE or entitlement to a TUE as provided in the International Standard for Therapeutic Use Exemptions, or departure from the International Standard for Testing and Investigations or the International Standard for Laboratories that caused the *Adverse Analytical Finding*, World Sailing shall promptly notify the Athlete, and simultaneously the Relevant MNA, the Athlete's National Anti-Doping Organization and WADA, in the manner set out in Regulation 21.14.1, of:
 - (i) the *Adverse Analytical Finding*;
 - (ii) the anti-doping rule violated;
 - (iii) the *Athlete's* right to promptly request the analysis of the B *Sample* or, failing such request, that the B *Sample* analysis may be deemed waived;
 - (iv) the scheduled date, time and place for the B *Sample* analysis if the *Athlete* or World Sailing chooses to request an analysis of the B *Sample*;
 - (v) the opportunity for the *Athlete* and/or the *Athlete's* representative to attend the B *Sample* opening and analysis in accordance with the International Standard for Laboratories if such analysis is requested; and
 - (vi) the Athlete's right to request copies of the A and B *Sample* laboratory documentation package which includes information as required by the International Standard for Laboratories.

If World Sailing decides not to bring forward the *Adverse Analytical Finding* as an anti-doping rule violation, it shall so notify the *Athlete*, the *Relevant MNA*, the *Athlete's National Anti-Doping Organization* and WADA.

- (b) Where requested by the *Athlete* or World Sailing, arrangements shall be made to analyze the B *Sample* in accordance with the International Standard for Laboratories. An *Athlete* may accept the A *Sample* analytical results by waiving the requirement for B *Sample* analysis. World Sailing may nonetheless elect to proceed with the B *Sample* analysis.
- (c) The *Athlete* and/or his representative shall be allowed to be present at the analysis of the B *Sample*. Also, a representative of World Sailing as well as a representative of the *Relevant MNA* shall be allowed to be present.
- (d) If the B *Sample* analysis does not confirm the A *Sample* analysis, then (unless World Sailing takes the case forward as an anti-doping rule violation under Regulation 21.2.2) the entire test shall be considered negative and the Athlete, the *Athlete's National Anti-Doping Organization* and WADA shall be so informed.

21.7.4 Review of *Atypical Findings*

- (a) As provided in the International Standard for Laboratories, in some circumstances laboratories are directed to report the presence of *Prohibited Substances*, which may also be produced endogenously, as *Atypical Findings*, i.e., as findings that are subject to further investigation.
- (b) Upon receipt of an *Atypical Finding*, World Sailing shall conduct a review to determine whether:
 - (i) an applicable TUE has been granted or will be granted as provided in the International Standard for Therapeutic Use Exemptions, or

- (ii) there is any apparent departure from the International Standard for Testing and Investigations or International Standard for Laboratories that caused the *Atypical Finding*.
- (c) If the review of an *Atypical Finding* under Regulation 21.7.4(b) reveals an applicable *TUE* or a departure from the International Standard for Testing and Investigations or the International Standard for Laboratories that caused the *Atypical Finding*, the entire test shall be considered negative and the *Athlete*, the *Relevant MNA*, the *Athlete's National Anti-Doping Organization* and *WADA* shall be so informed.
- (d) If that review does not reveal an applicable *TUE* or a departure from the International Standard for Testing and Investigations or the International Standard for Laboratories that caused the *Atypical Finding*, World Sailing shall conduct the required investigation or cause it to be conducted. After the investigation is completed, either the *Atypical Finding* will be brought forward as an *Adverse Analytical Finding*, in accordance with Regulation 21.7.3(a), or else the *Athlete*, the *Relevant MNA*, the *Athlete's National Anti-Doping Organization* and *WADA* shall be notified that the *Atypical Finding* will not be brought forward as an *Adverse Analytical Finding*.
- (e) World Sailing will not provide notice of an *Atypical Finding* until it has completed its investigation and has decided whether it will bring the *Atypical Finding* forward as an *Adverse Analytical Finding* unless one of the following circumstances exists:
 - (i) If World Sailing determines the B *Sample* should be analyzed prior to the conclusion of its investigation, it may conduct the B *Sample* analysis after notifying the *Athlete*, with such notice to include a description of the *Atypical Finding* and the information described in Regulation 21.7.3.1(d)-(f).
 - (ii) If World Sailing is asked
 1. by a *Major Event Organization* shortly before one of its *International Events*, or
 2. by a sport organization responsible for meeting an imminent deadline for selecting team members for an *International Event*,
 to disclose whether any *Athlete* identified on a list provided by the *Major Event Organization* or sport organization has a pending *Atypical Finding*, World Sailing shall so advise the *Major Event Organization* or sports organization after first providing notice of the *Atypical Finding* to the *Athlete*.

21.7.5 Review of *Atypical Passport Findings* and *Adverse Passport Findings*

Review of *Atypical Passport Findings* and *Adverse Passport Findings* shall take place as provided in the International Standard for Testing and Investigations and International Standard for Laboratories. At such time as World Sailing is satisfied that an anti-doping rule violation has occurred, it shall promptly give the *Athlete* (and simultaneously the *Relevant MNA*, the *Athlete's National Anti-Doping Organization* and *WADA*) notice of the anti-doping rule violation asserted and the basis of that assertion.

21.7.6 Review of Whereabouts Failures

World Sailing shall review potential filing failures and missed tests, as defined in the International Standard for Testing and Investigations, in respect of *Athletes* who file their whereabouts information with World Sailing, in accordance with Annex I to the International Standard for Testing and Investigations. At such time as World Sailing is satisfied that an

Regulation 21.2.4 anti-doping rule violation has occurred, it shall promptly give the *Athlete* (and simultaneously the *Relevant MNA*, the *Athlete's National Anti-Doping Organization* and *WADA*) notice that it is asserting a violation of Regulation 2.4 and the basis of that assertion.

21.7.7 Review of Other Anti-Doping Rule Violations Not Covered by Regulations 21.7.2–21.7.6

World Sailing shall conduct any follow-up investigation required into a possible anti-doping rule violation not covered by Regulations 21.7.2 - 21.7.6. At such time as World Sailing is satisfied that an anti-doping rule violation has occurred, it shall promptly give the *Athlete* or other *Person* (and simultaneously the *Relevant MNA*, the *Athlete's* or other *Person's National Anti-Doping Organization* and *WADA*) notice of the anti-doping rule violation asserted and the basis of that assertion.

21.7.8 Identification of Prior Anti-Doping Rule Violations

Before giving an *Athlete* or other *Person* notice of an asserted anti-doping rule violation as provided above, World Sailing shall refer to *ADAMS* and contact *WADA* and other relevant *Anti-Doping Organizations* to determine whether any prior anti-doping rule violation exists.

21.7.9 Provisional Suspensions

(a) Mandatory Provisional Suspension

If analysis of an *A Sample* has resulted in an *Adverse Analytical Finding* for a *Prohibited Substance* that is not a *Specified Substance*, or for a *Prohibited Method*, and a review in accordance with Regulation 21.7.2(b) does not reveal an applicable *TUE* or departure from the International Standard for Testing and Investigations or the International Standard for Laboratories that caused the *Adverse Analytical Finding*, a *Provisional Suspension* shall be imposed by the *Relevant MNA*, upon or promptly after the notification described in Regulations 21.7.2, 21.7.3 or 21.7.5.

(b) Optional Provisional Suspension

In case of an *Adverse Analytical Finding* for a *Specified Substance*, or in the case of any other anti-doping rule violations not covered by Regulation 21.7.9(a), the *Relevant MNA*, may impose a *Provisional Suspension* on the *Athlete* or other *Person* against whom the anti-doping rule violation is asserted at any time after the review and notification described in Regulations 21.7.2 – 21.7.7 and prior to the final hearing as described in Regulation 8.

(c) Where a Provisional Suspension is imposed pursuant to Regulation 21.7.9(a) or Regulation 21.7.9(b), the Athlete or other Person shall be given either:

- (i) an opportunity for a *Provisional Hearing* either before or on a timely basis after imposition of the *Provisional Suspension*; or
- (b) an opportunity for an expedited final hearing in accordance with Regulation 21.8 on a timely basis after imposition of the *Provisional Suspension*.

Furthermore, the *Athlete* or other *Person* has a right to appeal from the *Provisional Suspension* in accordance with Regulation 21.13.2 (save as set out in Regulation 21.7.9(c)(i)).

(d) The Provisional Suspension may be lifted if the Athlete demonstrates to the hearing panel that the violation is likely to have involved a Contaminated Product. A hearing panel's decision not to lift a mandatory Provisional Suspension on account of the Athlete's assertion regarding a Contaminated Product shall not be appealable.

- (e) The Provisional Suspension shall be imposed (or shall not be lifted) unless the *Athlete* or other *Person* establishes that:
 - (i) the assertion of an anti-doping rule violation has no reasonable prospect of being upheld, e.g., because of a patent flaw in the case against the *Athlete* or other *Person*; or
 - (ii) the *Athlete* or other *Person* has a strong arguable case that he/she bears *No Fault or Negligence* for the anti-doping rule violation(s) asserted, so that any period of *Ineligibility* that might otherwise be imposed for such a violation is likely to be completely eliminated by application of Regulation 21.10.4; or
 - (iii) some other facts exist that make it clearly unfair, in all of the circumstances, to impose a *Provisional Suspension* prior to a final hearing in accordance with Regulation 21.8. This ground is to be construed narrowly, and applied only in truly exceptional circumstances. For example, the fact that the *Provisional Suspension* would prevent the *Athlete* or other *Person* participating in a particular *Competition* or *Event* shall not qualify as exceptional circumstances for these purposes.
- (f) If a *Provisional Suspension* is imposed based on an A Sample Adverse Analytical Finding and subsequent analysis of the B Sample does not confirm the A Sample analysis, then the *Athlete* shall not be subject to any further *Provisional Suspension* on account of a violation of Regulation 21.2.1. In circumstances where the *Athlete* (or the *Athlete's* team) has been removed from a *Competition* based on a violation of Regulation 21.2.1 and the subsequent B Sample analysis does not confirm the A Sample finding, then if it is still possible for the *Athlete* or team to be reinserted, without otherwise affecting the *Competition*, the *Athlete* or team may continue to take part in the *Competition*. In addition, the *Athlete* or team may thereafter take part in other *Competitions* in the same *Event*.
- (g) In all cases where an *Athlete* or other *Person* has been notified of an anti-doping rule violation but a *Provisional Suspension* has not been imposed on him or her, the *Athlete* or other *Person* shall be offered the opportunity to accept a *Provisional Suspension* voluntarily pending the resolution of the matter.

21.7.10 Resolution Without a Hearing

- (a) An *Athlete* or other *Person* against whom an anti-doping rule violation is asserted may admit that violation at any time, waive a hearing, and accept the *Consequences* that are mandated by these Anti-Doping Rules or (where some discretion as to *Consequences* exists under these Anti-Doping Rules) that have been offered by the *Relevant MNA*.
- (b) Alternatively, if the *Athlete* or other *Person* against whom an anti-doping rule violation is asserted fails to dispute that assertion within the deadline specified in the notice sent by World Sailing asserting the violation, then he/she shall be deemed to have admitted the violation, to have waived a hearing, and to have accepted the *Consequences* that are mandated by these Anti-Doping Rules or (where some discretion as to *Consequences* exists under these Anti-Doping Rules) that have been offered by the *Relevant MNA*.
- (c) In cases where Regulation 21.7.10(a) or Regulation 21.7.10(b) applies, a hearing before a hearing panel shall not be required. Instead the *Relevant MNA*, shall promptly issue a written decision confirming the commission of the anti-doping rule violation and the *Consequences* imposed as a result, and setting out the full reasons for any period of *Ineligibility* imposed, including (if applicable) a justification for why the maximum potential period of *Ineligibility* was not imposed. The *Relevant MNA*, shall send copies of that decision to World Sailing and other

Anti-Doping Organizations with a right to appeal under Regulation 21.13.2(c), and shall *Publicly Disclose* that decision in accordance with Regulation 21.14.3(b).

21.7.11 Notification of Results Management Decisions

In all cases where World Sailing has asserted the commission of an anti-doping rule violation, withdrawn the assertion of an anti-doping rule violation, a *Relevant MNA* has imposed a *Provisional Suspension*, or a *Relevant MNA* has agreed with an *Athlete* or other *Person* on the imposition of *Consequences* without a hearing, World Sailing or the *Relevant MNA* (as appropriate) shall give notice thereof in accordance with Regulation 21.14.2(a) to World Sailing, the *Relevant MNA*, and other *Anti-Doping Organizations* with a right to appeal under Regulation 21.13.2(c).

21.7.12 Retirement from Sport

If an *Athlete* or other *Person* retires while World Sailing is conducting the results management process, World Sailing retains jurisdiction to complete its results management process. If an *Athlete* or other *Person* retires before any results management process has begun, and World Sailing would have had results management authority over the *Athlete* or other *Person* at the time the *Athlete* or other *Person* committed an anti-doping rule violation, World Sailing has authority to conduct results management in respect of that anti-doping rule violation.

21.8 Right to a Fair Hearing

21.8.1 Principles for a Fair Hearing

- (a) When World Sailing sends a notice to an *Athlete* or other *Person* asserting an anti-doping rule violation, and the *Athlete* or other *Person* does not waive a hearing in accordance with Regulation 21.7.10(a) or Regulation 21.7.10(b), then the case shall be referred to a hearing panel of the *Relevant MNA* ("the Panel"), for hearing and adjudication.
- (b) Hearings shall be scheduled and completed within a reasonable time. Hearings held in connection with *Events* that are subject to these Anti-Doping Rules may be conducted by an expedited process where permitted by the hearing panel.
- (c) The *Panel* shall determine the procedure to be followed at the hearing (which may include reference to any rules of procedure adopted by the *Relevant MNA*).
- (d) WADA and World Sailing may attend the hearing as observers. In any event, the *Relevant MNA*, shall keep WADA and World Sailing fully apprised as to the status of pending cases and the result of all hearings.
- (e) The *Panel* shall act in a fair and impartial manner towards all parties at all times.

21.8.2 Decisions

- (a) At the end of the hearing, or on a timely basis thereafter, the *Panel* shall issue a written decision that includes the full reasons for the decision and for any period of *Ineligibility* imposed, including (if applicable) a justification for why the greatest potential *Consequences* were not imposed.
- (b) The decision may be appealed to the CAS as provided in Regulation 21.13. Copies of the decision shall be provided to the *Athlete* or other *Person*, World Sailing and to other *Anti-Doping Organizations* with a right to appeal under Regulation 21.13.2(c).
- (c) If no appeal is brought against the decision, then (a) if the decision is that an anti-doping rule violation was committed, the decision shall be *Publicly Disclosed* as provided in Regulation 21.14.3(b); but (b) if the decision is that no anti-doping rule violation was committed, then the decision shall only be *Publicly Disclosed* with the consent of the *Athlete* or other *Person* who is the subject of the decision.

The *Relevant MNA* shall use reasonable efforts to obtain such consent, and if consent is obtained, shall *Publicly Disclose* the decision in its entirety or in such redacted form as the *Athlete* or other *Person* may approve. The principles contained at Regulation 21.14.3(f) shall be applied in cases involving a *Minor*.

21.8.3 Single Hearing Before CAS

- (a) Cases asserting anti-doping rule violations may be heard directly at CAS, with no requirement for a prior hearing, with the consent of the *Athlete*, World Sailing, the *Relevant MNA*, WADA, and any other *Anti-Doping Organization* that would have had a right to appeal a first instance hearing decision to CAS.
- (b) If World Sailing is satisfied that a *Relevant MNA* is not conducting the hearing process in accordance with this Code, it may direct that the case be heard directly at CAS. World Sailing shall consult with the *Athlete*, WADA and the *Relevant MNA* before exercising its discretion under this Regulation.

21.9 Automatic *Disqualification* of Individual Results

An anti-doping rule violation in *Individual Sports* in connection with an *In-Competition* test automatically leads to *Disqualification* of the result obtained in that *Competition* with all resulting *Consequences*, including forfeiture of any medals, points and prizes.

21.10 Sanctions on Individuals

21.10.1 *Disqualification* of Results in the *Event* during which an Anti-Doping Rule Violation Occurs

- (a) An anti-doping rule violation occurring during or in connection with an *Event* may, upon the decision of the ruling body of the *Event*, lead to *Disqualification* of all of the *Athlete's* individual results obtained in that *Event* with all *Consequences*, including forfeiture of all medals, points and prizes, except as provided in Regulation 21.10.1(a).

Factors to be included in considering whether to *Disqualify* other results in an *Event* might include, for example, the seriousness of the *Athlete's* anti-doping rule violation and whether the *Athlete* tested negative in the other *Competitions*.

- (b) If the *Athlete* establishes that he or she bears *No Fault or Negligence* for the violation, the *Athlete's* individual results in the other *Competitions* shall not be *Disqualified*, unless the *Athlete's* results in *Competitions* other than the *Competition* in which the anti-doping rule violation occurred were likely to have been affected by the *Athlete's* anti-doping rule violation.

21.10.2 *Ineligibility* for Presence, Use or Attempted Use, or Possession of a *Prohibited Substance* or *Prohibited Method*

The period of *Ineligibility* for a violation of Regulations 21.2.1, 21.2.2 or 21.2.6 shall be as follows, subject to potential reduction or suspension pursuant to Regulations 21.10.4, 21.10.5 or 21.10.6:

- (a) The period of *Ineligibility* shall be four years where:
 - (i) The anti-doping rule violation does not involve a *Specified Substance*, unless the *Athlete* or other *Person* can establish that the anti-doping rule violation was not intentional.
 - (ii) The anti-doping rule violation involves a *Specified Substance* and World Sailing can establish that the anti-doping rule violation was intentional.
- (b) If Regulation 21.10.2(a) does not apply, the period of *Ineligibility* shall be two years.
- (c) As used in Regulations 21.10.2 and 21.10.3, the term "intentional" is meant to

identify those *Athletes* who cheat. The term therefore requires that the *Athlete* or other *Person* engaged in conduct which he or she knew constituted an anti-doping rule violation or knew that there was a significant risk that the conduct might constitute or result in an anti-doping rule violation and manifestly disregarded that risk.

An anti-doping rule violation resulting from an *Adverse Analytical Finding* for a substance which is only prohibited *In-Competition* shall be rebuttably presumed to be not intentional if the substance is a *Specified Substance* and the *Athlete* can establish that the *Prohibited Substance* was *Used Out-of-Competition*.

An anti-doping rule violation resulting from an *Adverse Analytical Finding* for a substance which is only prohibited *In-Competition* shall not be considered intentional if the substance is not a *Specified Substance* and the *Athlete* can establish that the *Prohibited Substance* was *Used Out-of-Competition* in a context unrelated to sport performance.

21.10.3 *Ineligibility* for Other Anti-Doping Rule Violations

The period of *Ineligibility* for anti-doping rule violations other than as provided in Regulation 21.10.2 shall be as follows, unless Regulations 21.10.5 or 21.10.6 are applicable:

- (a) For violations of Regulation 21.2.3 or Regulation 21.2.5, the period of *Ineligibility* shall be four years unless, in the case of failing to submit to *Sample* collection, the *Athlete* can establish that the commission of the anti-doping rule violation was not intentional (as defined in Regulation 21.10.2(c)), in which case the period of *Ineligibility* shall be two years.
- (b) For violations of Regulation 21.2.4, the period of *Ineligibility* shall be two years, subject to reduction down to a minimum of one year, depending on the *Athlete's* degree of *Fault*. The flexibility between two years and one year of *Ineligibility* in this Regulation is not available to *Athletes* where a pattern of last-minute whereabouts changes or other conduct raises a serious suspicion that the *Athlete* was trying to avoid being available for *Testing*.
- (c) For violations of Regulations 21.2.7 or 21.2.8, the period of *Ineligibility* shall be a minimum of four years up to lifetime *Ineligibility*, depending on the seriousness of the violation. A Regulation 21.2.7 or Regulation 21.2.8 violation involving a *Minor* shall be considered a particularly serious violation and, if committed by *Athlete*. In addition, significant violations of Regulations 21.2.7 or 21.2.8 which may also violate non-sporting laws and regulations, shall be reported to the competent administrative, professional or judicial authorities.
- (d) For violations of Regulation 21.2.9, the period of *Ineligibility* imposed shall be a minimum of two years, up to four years, depending on the seriousness of the violation.
- (e) For violations of Regulation 21.2.10, the period of *Ineligibility* shall be two years, subject to reduction down to a minimum of one year, depending on the *Athlete* or other *Person's* degree of *Fault* and other circumstances of the case.

21.10.4 Elimination of the Period of *Ineligibility* where there is *No Fault or Negligence*

If an *Athlete* or other *Person* establishes in an individual case that he or she bears *No Fault or Negligence*, then the otherwise applicable period of *Ineligibility* shall be eliminated.

21.10.5 Reduction of the Period of *Ineligibility* based on *No Significant Fault or Negligence*

- (a) Reduction of Sanctions for *Specified Substances* or *Contaminated Products* for Violations of Regulation 21.2.1, 21.2.2 or 21.2.6.

(i) *Specified Substances*

Where the anti-doping rule violation involves a *Specified Substance*, and the *Athlete* or other *Person* can establish *No Significant Fault or Negligence*, then the period of *Ineligibility* shall be, at a minimum, a reprimand and no period of *Ineligibility*, and at a maximum, two years of *Ineligibility*, depending on the *Athlete's* or other *Person's* degree of *Fault*.

(ii) *Contaminated Products*

In cases where the *Athlete* or other *Person* can establish *No Significant Fault or Negligence* and that the detected *Prohibited Substance* came from a *Contaminated Product*, then the period of *Ineligibility* shall be, at a minimum, a reprimand and no period of *Ineligibility*, and at a maximum, two years *Ineligibility*, depending on the *Athlete's* or other *Person's* degree of *Fault*.

(b) Application of *No Significant Fault or Negligence* beyond the Application of Regulation 21.10.5(a)

If an *Athlete* or other *Person* establishes in an individual case where Regulation 21.10.5(a) is not applicable that he or she bears *No Significant Fault or Negligence*, then, subject to further reduction or elimination as provided in Regulation 21.10.6, the otherwise applicable period of *Ineligibility* may be reduced based on the *Athlete* or other *Person's* degree of *Fault*, but the reduced period of *Ineligibility* may not be less than one-half of the period of *Ineligibility* otherwise applicable. If the otherwise applicable period of *Ineligibility* is a lifetime, the reduced period under this Regulation may be no less than eight years.

21.10.6 Elimination, Reduction, or Suspension of Period of *Ineligibility* or other Consequences for Reasons Other than *Fault*

(a) *Substantial Assistance* in Discovering or Establishing Anti-Doping Rule Violations

(i) World Sailing may, prior to a final appellate decision under Regulation 21.13 or the expiration of the time to appeal, suspend a part of the period of *Ineligibility* imposed in an individual case in which it has results management authority where the *Athlete* or other *Person* has provided *Substantial Assistance* to an *Anti-Doping Organization*, criminal authority or professional disciplinary body which results in:

1. the *Anti-Doping Organization* discovering or bringing forward an anti-doping rule violation by another *Person*, or
2. which results in a criminal or disciplinary body discovering or bringing forward a criminal offense or the breach of professional rules committed by another *Person*

and the information provided by the *Person* providing *Substantial Assistance* is made available to World Sailing.

After a final appellate decision under Regulation 21.13 or the expiration of time to appeal, World Sailing may only suspend a part of the otherwise applicable period of *Ineligibility* with the approval of WADA. The extent to which the otherwise applicable period of *Ineligibility* may be suspended shall be based on the seriousness of the anti-doping rule violation committed by the *Athlete* or other *Person* and the significance of the *Substantial Assistance* provided by the *Athlete* or other *Person* to the effort to eliminate doping in sport. No more than three-quarters of the otherwise applicable period of *Ineligibility* may be suspended. If the otherwise applicable period of *Ineligibility* is a lifetime, the non-suspended period under this Regulation must be no less than eight years.

If the *Athlete* or other *Person* fails to continue to cooperate and to provide the complete and credible *Substantial Assistance* upon which a suspension of the period of *Ineligibility* was based, World Sailing shall reinstate the original period of *Ineligibility*. If World Sailing decides to reinstate a suspended period of *Ineligibility* or decides not to reinstate a suspended period of *Ineligibility*, that decision may be appealed by any *Person* entitled to appeal under Regulation 21.13.

- (ii) To further encourage *Athletes* and other *Persons* to provide *Substantial Assistance* to *Anti-Doping Organizations*, at the request of World Sailing or at the request of the *Athlete* or other *Person* who has (or has been asserted to have) committed an anti-doping rule violation, WADA may agree at any stage of the results management process, including after a final appellate decision under Regulation 21.13, to what it considers to be an appropriate suspension of the otherwise-applicable period of *Ineligibility* and other *Consequences*.

In exceptional circumstances, WADA may agree to suspensions of the period of *Ineligibility* and other *Consequences* for *Substantial Assistance* greater than those otherwise provided in this Regulation, or even no period of *Ineligibility*, and/or no return of prize or payment of fines or costs. WADA's approval shall be subject to reinstatement of sanction, as otherwise provided in this Regulation. Notwithstanding Regulation 21.13, WADA's decisions in the context of this Regulation may not be appealed by any other *Anti-Doping Organization*.

- (iii) If World Sailing suspends any part of an otherwise applicable sanction because of *Substantial Assistance*, then notice providing justification for the decision shall be provided to the other *Anti-Doping Organizations* with a right to appeal under Regulation 21.13.2(c) as provided in Regulation 21.14.2. In unique circumstances where WADA determines that it would be in the best interest of anti-doping, WADA may authorize World Sailing to enter into appropriate confidentiality agreements limiting or delaying the disclosure of the *Substantial Assistance* agreement or the nature of *Substantial Assistance* being provided.

(b) Admission of an Anti-Doping Rule Violation in the Absence of Other Evidence

Where an *Athlete* or other *Person* voluntarily admits the commission of an anti-doping rule violation before having received notice of a *Sample* collection which could establish an anti-doping rule violation (or, in the case of an anti-doping rule violation other than Regulation 21.2.1, before receiving first notice of the admitted violation pursuant to Regulation 21.7) and that admission is the only reliable evidence of the violation at the time of admission, then the period of *Ineligibility* may be reduced, but not below one-half of the period of *Ineligibility* otherwise applicable.

(c) Prompt Admission of an Anti-Doping Rule Violation after being Confronted with a Violation Sanctionable under Regulation 21.10.2(a) or Regulation 21.10.3(a)

An *Athlete* or other *Person* potentially subject to a four-year sanction under Regulation 21.10.2(a) or 21.10.3(a) (for evading or refusing *Sample Collection* or *Tampering with Sample Collection*), by promptly admitting the asserted anti-doping rule violation after being confronted by World Sailing, and also upon the approval and at the discretion of both WADA and World Sailing, may receive a reduction in the period of *Ineligibility* down to a minimum of two years, depending on the seriousness of the violation and the *Athlete* or other *Person's* degree of *Fault*.

(d) Application of Multiple Grounds for Reduction of a Sanction

Where an *Athlete* or other *Person* establishes entitlement to reduction in sanction under more than one provision of Regulation 21.10.4, 21.10.5 or 21.10.6, before applying any reduction or suspension under Regulation 21.10.6, the otherwise applicable period of *Ineligibility* shall be determined in accordance with Regulations 21.10.2, 21.10.3, 21.10.4, and 21.10.5. If the *Athlete* or other *Person* establishes entitlement to a reduction or suspension of the period of *Ineligibility* under Regulation 21.10.6, then the period of *Ineligibility* may be reduced or suspended, but not below one-fourth of the otherwise applicable period of *Ineligibility*.

21.10.7 Multiple Violations

(a) For an *Athlete* or other *Person*'s second anti-doping rule violation, the period of *Ineligibility* shall be the greater of:

- (i) six months;
- (ii) one-half of the period of *Ineligibility* imposed for the first anti-doping rule violation without taking into account any reduction under Regulation 21.10.6; or
- (iii) twice the period of *Ineligibility* otherwise applicable to the second anti-doping rule violation treated as if it were a first violation, without taking into account any reduction under Regulation 21.10.6.

The period of *Ineligibility* established above may then be further reduced by the application of Regulation 21.10.6.

(b) A third anti-doping rule violation will always result in a lifetime period of *Ineligibility*, except if the third violation fulfills the condition for elimination or reduction of the period of *Ineligibility* under Regulation 21.10.4 or 21.10.5, or involves a violation of Regulation 21.2.4. In these particular cases, the period of *Ineligibility* shall be from eight years to lifetime *Ineligibility*.

(c) An anti-doping rule violation for which an *Athlete* or other *Person* has established *No Fault or Negligence* shall not be considered a prior violation for purposes of this Regulation.

(d) Additional Rules for Certain Potential Multiple Violations

- (i) For purposes of imposing sanctions under Regulation 21.10.7, an anti-doping rule violation will only be considered a second violation if World Sailing can establish that the *Athlete* or other *Person* committed the second anti-doping rule violation after the *Athlete* or other *Person* received notice pursuant to Regulation 21.7, or after World Sailing made reasonable efforts to give notice of the first anti-doping rule violation. If World Sailing cannot establish this, the violations shall be considered together as one single first violation, and the sanction imposed shall be based on the violation that carries the more severe sanction.
- (ii) If, after the imposition of a sanction for a first anti-doping rule violation, World Sailing discovers facts involving an anti-doping rule violation by the *Athlete* or other *Person* which occurred prior to notification regarding the first violation, then World Sailing shall impose an additional sanction based on the sanction that could have been imposed if the two violations had been adjudicated at the same time. Results in all *Competitions* dating back to the earlier anti-doping rule violation will be *Disqualified* as provided in Regulation 21.10.8.

(e) Multiple Anti-Doping Rule Violations during Ten-Year Period

For purposes of Regulation 21.10.7, each anti-doping rule violation must take place within the same ten-year period in order to be considered multiple violations.

21.10.8 *Disqualification* of Results in *Competitions* Subsequent to *Sample* Collection or Commission of an Anti-Doping Rule Violation

In addition to the automatic *Disqualification* of the results in the *Competition* which produced the positive *Sample* under Regulation 21.9, all other competitive results of the *Athlete* obtained from the date a positive *Sample* was collected (whether *In-Competition* or *Out-of-Competition*), or other anti-doping rule violation occurred, through the commencement of any *Provisional Suspension* or *Ineligibility* period, shall, unless fairness requires otherwise, be *Disqualified* with all of the resulting *Consequences* including forfeiture of any medals, points and prizes.

21.10.9 Allocation of CAS Cost Awards and Forfeited Prize Money

Intentionally left blank

21.10.11 Commencement of *Ineligibility* Period

Except as provided below, the period of *Ineligibility* shall start on the date of the final hearing decision providing for *Ineligibility* or, if the hearing is waived or there is no hearing, on the date *Ineligibility* is accepted or otherwise imposed.

(a) Delays Not Attributable to the *Athlete* or other *Person*

Where there have been substantial delays in the hearing process or other aspects of *Doping Control* not attributable to the *Athlete* or other *Person*, World Sailing may start the period of *Ineligibility* at an earlier date commencing as early as the date of *Sample* collection or the date on which another anti-doping rule violation last occurred. All competitive results achieved during the period of *Ineligibility*, including retroactive *Ineligibility*, shall be *Disqualified*.

(b) Timely Admission

Where the *Athlete* or other *Person* promptly (which, in all events, for an *Athlete* means before the *Athlete* competes again) admits the anti-doping rule violation after being confronted with the anti-doping rule violation by World Sailing, the period of *Ineligibility* may start as early as the date of *Sample* collection or the date on which another anti-doping rule violation last occurred. In each case, however, where this Regulation is applied, the *Athlete* or other *Person* shall serve at least one-half of the period of *Ineligibility* going forward from the date the *Athlete* or other *Person* accepted the imposition of a sanction, the date of a hearing decision imposing a sanction, or the date the sanction is otherwise imposed. This Regulation shall not apply where the period of *Ineligibility* has already been reduced under Regulation 21.10.6(c).

(c) Credit for *Provisional Suspension* or Period of *Ineligibility* Served

(i) If a *Provisional Suspension* is imposed and respected by the *Athlete* or other *Person*, then the *Athlete* or other *Person* shall receive a credit for such period of *Provisional Suspension* against any period of *Ineligibility* which may ultimately be imposed. If a period of *Ineligibility* is served pursuant to a decision that is subsequently appealed, then the *Athlete* or other *Person* shall receive a credit for such period of *Ineligibility* served

against any period of *Ineligibility* which may ultimately be imposed on appeal.

- (ii) If an *Athlete* or other *Person* voluntarily accepts a *Provisional Suspension* in writing from World Sailing and thereafter respects the *Provisional Suspension*, the *Athlete* or other *Person* shall receive a credit for such period of voluntary *Provisional Suspension* against any period of *Ineligibility* which may ultimately be imposed. A copy of the *Athlete* or other *Person's* voluntary acceptance of a *Provisional Suspension* shall be provided promptly to each party entitled to receive notice of an asserted anti-doping rule violation under Regulation 21.14.1.
- (iii) No credit against a period of *Ineligibility* shall be given for any time period before the effective date of the *Provisional Suspension* or voluntary *Provisional Suspension* regardless of whether the *Athlete* elected not to compete or was suspended by his or her team.
- (iv) In *Team Sports*, where a period of *Ineligibility* is imposed upon a team, unless fairness requires otherwise, the period of *Ineligibility* shall start on the date of the final hearing decision providing for *Ineligibility* or, if the hearing is waived, on the date *Ineligibility* is accepted or otherwise imposed. Any period of team *Provisional Suspension* (whether imposed or voluntarily accepted) shall be credited against the total period of *Ineligibility* to be served.

21.10.12 Status During Ineligibility

(a) Prohibition Against Participation During *Ineligibility*

No *Athlete* or other *Person* who has been declared *Ineligible* may, during the period of *Ineligibility*, participate in any capacity in a *Competition* or activity (other than authorized anti-doping education or rehabilitation programs) authorized or organized by World Sailing or any *MNA* or a club or other member organization of World Sailing or any *MNA*, or in *Competitions* authorized or organized by any professional league or any international or national level *Event* organization or any elite or national-level sporting activity funded by a governmental agency.

An *Athlete* or other *Person* subject to a period of *Ineligibility* longer than four years may, after completing four years of the period of *Ineligibility*, participate as an *Athlete* in local sport events not sanctioned or otherwise under the jurisdiction of a *Code Signatory* or member of a *Code Signatory*, but only so long as the local sport event is not at a level that could otherwise qualify such *Athlete* or other *Person* directly or indirectly to compete in (or accumulate points toward) a national championship or *International Event*, and does not involve the *Athlete* or other *Person* working in any capacity with *Minors*.

An *Athlete* or other *Person* subject to a period of *Ineligibility* shall remain subject to *Testing*.

(b) Return to Training

As an exception to Regulation 21.10.12(a), an *Athlete* may return to train with a team or to use the facilities of a club or other member organization of World Sailing's member organization during the shorter of:

- (i) the last two months of the *Athlete's* period of *Ineligibility*, or
- (ii) the last one-quarter of the period of *Ineligibility* imposed.

(c) Violation of the Prohibition of Participation During *Ineligibility*

Where an *Athlete* or other *Person* who has been declared *Ineligible* violates the prohibition against participation during *Ineligibility* described in Regulation

21.10.12(a), the results of such participation shall be *Disqualified* and a new period of *Ineligibility* equal in length up to the original period of *Ineligibility* shall be added to the end of the original period of *Ineligibility*. The new period of *Ineligibility* may be adjusted based on the *Athlete* or other *Person's* degree of *Fault* and other circumstances of the case. The determination of whether an *Athlete* or other *Person* has violated the prohibition against participation, and whether an adjustment is appropriate, shall be made by World Sailing. This decision may be appealed under Regulation 21.13.

Where an *Athlete Support Person* or other *Person* assists a *Person* in violating the prohibition against participation during *Ineligibility*, World Sailing shall impose sanctions for a violation of Regulation 21.2.9 for such assistance.

(d) **Withholding of Financial Support during *Ineligibility***

In addition, for any anti-doping rule violation not involving a reduced sanction as described in Regulation 21.10.4 or 21.10.5, some or all sport-related financial support or other sport-related benefits received by such *Person* will be withheld by World Sailing and its *MNAs*.

21.10.13 Automatic Publication of Sanction

A mandatory part of each sanction shall include automatic publication, as provided in Regulation 21.14.3.

21.11A.1 Testing of *Team Sports*

Where one member of a team has been notified of an anti-doping rule violation under Regulation 21.7 in connection with an *Event*, the ruling body for the *Event* shall conduct appropriate *Target Testing* of all members of the team during the *Event Period*.

21.11A.2 Consequences for *Team Sports*

If more than two members of a team in a *Team Sport* are found to have committed an anti-doping rule violation during an *Event Period*, the ruling body of the *Event* shall impose an appropriate sanction on the team (e.g. loss of points, *Disqualification* from a *Competition* or *Event*, or other sanction) in addition to any *Consequences* imposed upon the individual *Athletes* committing the anti-doping rule violation.

21.11A.3 Event Ruling Body may Establish Stricter *Consequences* for *Team Sports*

The ruling body for an *Event* may elect to establish rules for the *Event* which impose *Consequences* for *Team Sports* stricter than those in Regulation 21.11.2 for the purposes of the *Event*.

21.11A.4 The boat and its crewmembers may be subject to such further disciplinary action by the protest committee, jury or World Sailing as deemed appropriate, when satisfied that there has been a breach of RRS 2 (Fair Sailing).

21.11B Consequences to Teams (for Teams of 2)

21.11B.1 Testing of Teams

Where one member of a team (outside of *Team Sports*) has been notified of an anti doping rule violation under Regulation 21.7 in connection with an *Event*, the ruling body for the *Event* shall conduct appropriate *Target Testing* of all members of the team during the *Event Period*.

21.11B.2 *Consequences for Teams*

- (a) An anti-doping rule violation committed by a member of a team in connection with an *In-Competition* test automatically leads to *Disqualification* of the result obtained by the team in that *Competition*, with all resulting consequences for the team and its members, including forfeiture of any medals, points and prizes.
- (b) An anti-doping rule violation committed by a member of a team occurring during or in connection with an *Event* may lead to *Disqualification* of all of the results obtained by the team in that *Event* with all consequences for the team and its members, including forfeiture of all medals, points and prizes, except as provided in Regulation 21.11.5(c).
- (c) Where an *Athlete* who is a member of a team committed an anti-doping rule violation during or in connection with one *Competition* in an *Event*, if the other member(s) of the team establish(es) that he/she/they bear(s) *No Fault or Negligence* for that violation, the results of the team in any other *Competition(s)* in that *Event* shall not be *Disqualified* unless the results of the team in the *Competition(s)* other than the *Competition* in which the anti-doping rule violation occurred were likely to have been affected by the *Athlete's* anti-doping rule violation.

21.11B.3 The boat and its crewmembers may be subject to such further disciplinary action by the protest committee, jury or World Sailing as deemed appropriate, when satisfied that there has been a breaching RRS 2 (Fair Sailing).

21.12 Sanctions and Costs Assessed Against Sporting Bodies

Decisions made under these Anti-Doping Rules may be appealed as set forth below in Regulation 21.13.2 through 21.13.7 or as otherwise provided in these Anti-Doping Rules, the *Code* or the *International Standards*. Such decisions shall remain in effect while under appeal unless the appellate body orders otherwise. Before an appeal is commenced, any post-decision review provided in the *Anti-Doping Organization's* rules must be exhausted, provided that such review respects the principles set forth in Regulation 21.2.2 below (except as provided in Regulation 21.13.1(c)).

- (a) **Scope of Review Not Limited**
The scope of review on appeal includes all issues relevant to the matter and is expressly not limited to the issues or scope of review before the initial decision maker.
- (b) **CAS Shall Not Defer to the Findings Being Appealed**
In making its decision, CAS need not give deference to the discretion exercised by the body whose decision is being appealed.
- (c) **WADA Not Required to Exhaust Internal Remedies**
Where WADA has a right to appeal under Regulation 21.13 and no other party has appealed a final decision within World Sailing and its MNA's process, WADA may appeal such decision directly to CAS without having to exhaust other remedies in World Sailing and its MNA's process.

- (b) Appeals Involving *International-Level Athletes* or *International Events*

In cases arising from participation in an *International Event* or in cases involving *International-Level Athletes*, the decision may be appealed exclusively to CAS.

- (c) Appeals Involving Other *Athletes* or Other *Persons*

In cases where Regulation 21.13.2(a) is not applicable, the decision may be appealed to a national-level appeal body, being an independent and impartial body established in accordance with rules adopted by the *National Anti-Doping Organization* having jurisdiction over the *Athlete* or other *Person*. The rules for such appeal shall respect the following principles: a timely hearing; a fair and impartial hearing panel; the right to be represented by counsel at the *Person's* own expense; and a timely, written, reasoned decision. and its *MNAs* had rendered a decision finding no anti-doping rule violation. If the CAS hearing panel determines that an anti-doping rule violation was committed and that *WADA* acted reasonably in electing to appeal directly to CAS, then *WADA's* costs and attorney fees in prosecuting the appeal shall be reimbursed to *WADA* by World Sailing and/or its *MNAs*.

21.20.1 These Anti-Doping Rules may be amended from time to time by World Sailing.

21.20.2 These Anti-Doping Rules shall be interpreted as an independent and autonomous text and not by reference to existing law or statutes.

21.20.3 The headings used for the various Parts and Regulations of these Anti-Doping Rules are for convenience only and shall not be deemed part of the substance of these Anti-Doping Rules or to affect in any way the language of the provisions to which they refer.

21.20.4 The *Code* and the International Standards shall be considered integral parts of these Anti-Doping Rules and shall prevail in case of conflict.

21.20.5 These Anti-Doping Rules have been adopted pursuant to the applicable provisions of the *Code* and shall be interpreted in a manner that is consistent with applicable provisions of the *Code*. The Introduction shall be considered an integral part of these Anti-Doping Rules.

21.20.6 The comments annotating various provisions of the *Code* and these Anti-Doping Rules shall be used to interpret these Anti-Doping Rules.

21.20.7 These Anti-Doping Rules have come into full force and effect on 1 January 2015 (the "Effective Date"). They shall not apply retroactively to matters pending before the Effective Date; provided, however, that:

- (a) Anti-doping rule violations taking place prior to the Effective Date count as "first violations" or "second violations" for purposes of determining sanctions under Regulation 21.10 for violations taking place after the Effective Date.
- (b) The retrospective periods in which prior violations can be considered for purposes of multiple violations under Regulation 21.10.7(e) and the statute of limitations set forth in Regulation 21.17 are procedural rules and should be applied retroactively; provided, however, that Regulation 21.17 shall only be applied retroactively if the statute of limitations period has not already expired by the Effective Date. Otherwise, with respect to any anti-doping rule violation case which is pending as of the Effective Date and any anti-doping rule violation case brought after the Effective Date based on an anti-doping rule violation which occurred prior to the Effective Date, the case shall be governed by the substantive anti-doping rules in effect at the time the alleged anti-doping rule violation occurred unless the panel hearing the case determines the principle of "lex mitior" appropriately applies under the circumstances of the case.

- (c) Any Regulation 21.2.4 whereabouts failure (whether a Filing Failure or a Missed Test, as those terms are defined in the International Standard for Testing and Investigations) prior to the Effective Date shall be carried forward and may be relied upon, prior to expiry, in accordance with the International Standard for Testing and Investigation, but it shall be deemed to have expired 12 months after it occurred.
- (d) With respect to cases where a final decision finding an anti-doping rule violation has been rendered prior to the Effective Date, but the *Athlete* or other *Person* is still serving the period of *Ineligibility* as of the Effective Date, the *Athlete* or other *Person* may apply to the *Anti-Doping Organization* which had results management responsibility for the anti-doping rule violation to consider a reduction in the period of *Ineligibility* in light of these Anti-Doping Rules. Such application must be made before the period of *Ineligibility* has expired. The decision rendered may be appealed pursuant to Regulation 21.13.2. These Anti-Doping Rules shall have no application to any case where a final decision finding an anti-doping rule violation has been rendered and the period of *Ineligibility* has expired.
- (e) For purposes of assessing the period of *Ineligibility* for a second violation under Regulation 21.10.7(a), where the sanction for the first violation was determined based on rules in force prior to the Effective Date, the period of *Ineligibility* which would have been assessed for that first violation had these Anti-Doping Rules been applicable, shall be applied.

21.21 Interpretation of the Code

- 21.21.1 The official text of the *Code* shall be maintained by WADA and shall be published in English and French. In the event of any conflict between the English and French versions, the English version shall prevail.
- 21.21.2 The comments annotating various provisions of the *Code* shall be used to interpret the *Code*.
- 21.21.3 The *Code* shall be interpreted as an independent and autonomous text and not by reference to the existing law or statutes of the *Signatories* or governments.
- 21.21.4 The headings used for the various Parts and Regulations of the *Code* are for convenience only and shall not be deemed part of the substance of the *Code* or to affect in any way the language of the provisions to which they refer.
- 21.21.5 The *Code* shall not apply retroactively to matters pending before the date the *Code* is accepted by a *Signatory* and implemented in its rules. However, pre-*Code* anti-doping rule violations would continue to count as "first violations" or "second violations" for purposes of determining sanctions under Regulation 21.10 for subsequent post-*Code* violations.
- 21.21.6 The Purpose, Scope and Organization of the World Anti-Doping Program and the *Code* and Definitions, and Appendix 1, Examples of the Application of Regulation 21.10, shall be considered integral parts of the *Code*.

21.22 Additional Roles and Responsibilities of Athletes and Other Persons

21.22.1 Roles and Responsibilities of Athletes

It is the responsibility of *Athletes*:

- (a) to be knowledgeable of and comply with these Anti-Doping Rules;
- (b) to be available for *Sample* collection at all times;
- (c) take responsibility, in the context of anti-doping, for what they ingest and *Use*;

- (d) to inform medical personnel of their obligation not to *Use Prohibited Substances* and *Prohibited Methods* and to take responsibility to make sure that any medical treatment received does not violate these Anti-Doping Rules;
- (e) to disclose to their National Anti-Doping Organization and to World Sailing any decision by a non-Signatory finding that the Athlete committed an anti-doping rule violation within the previous ten years; and
- (f) to cooperate with *Anti-Doping Organizations* investigating anti-doping rule violations.
- (g) Failure by any Athlete to cooperate in full with World Sailing, a MNA or Anti-Doping Organizations investigating anti-doping rule violations may result in a report being made under Racing Rule of Sailing 69 and the failure may be regarded as gross misconduct under that rule.

21.22.2 Roles and Responsibilities of *Athlete Support Personnel*

It is the responsibility of *Athletes Support Personnel*:

- (a) to be knowledgeable of and comply with these Anti-Doping Rules;
- (b) to cooperate with the *Athlete Testing* program;
- (c) to use his or her influence on *Athlete* values and behavior to foster anti-doping attitudes;
- (d) to disclose to his or her *National Anti-Doping Organization* and to World Sailing any decision by a non-Signatory finding that he or she committed an anti-doping rule violation within the previous ten years;
- (e) to cooperate with *Anti-Doping Organizations* investigating anti-doping rule violations; and
- (f) not to *Use* or *Possess* any *Prohibited Substance* or *Prohibited Method* without valid justification.

Failure by *Athlete Support Personnel* to cooperate in full with *Anti-Doping Organizations* investigating anti-doping rule violations, or *Use* or *Possession* of a *Prohibited Substance* or *Prohibited Method* by an *Athlete Support Personnel* without valid justification, may result in a report being made under RRS 69 and the conduct in question may be regarded as gross misconduct.

ANNEXE 1 EXAMPLES OF THE APPLICATION OF REGULATION 21.10

EXAMPLE 1.

Facts: An *Adverse Analytical Finding* results from the presence of an anabolic steroid in an *In-Competition* test (Regulation 21.2.1); the *Athlete* promptly admits the anti-doping rule violation; the *Athlete* establishes *No Significant Fault or Negligence*; and the *Athlete* provides *Substantial Assistance*.

Application of Consequences:

1. The starting point would be Regulation 21.10.2. Because the *Athlete* is deemed to have *No Significant Fault* that would be sufficient corroborating evidence (Regulations 21.10.2(a)(i) and 21.10(b)(iii)) that the anti-doping rule violation was not intentional, the period of *Ineligibility* would thus be two years, not four years (Regulation 21.10.2(b)).
2. In a second step, the panel would analyze whether the *Fault*-related reductions (Regulations 21.10.4 and 21.10.5) apply. Based on *No Significant Fault or Negligence* (Regulation 21.10.5(a)) since the anabolic steroid is not a *Specified Substance*, the applicable range of sanctions would be reduced to a range of two years to one year (minimum one-half of the two year sanction). The panel would then determine the applicable period of *Ineligibility* within this range based on the *Athlete's* degree of *Fault*. (Assume for purposes of illustration in this example that the panel would otherwise impose a period of *Ineligibility* of 16 months.)
3. In a third step, the panel would assess the possibility for suspension or reduction under Regulation 21.10.6 (reductions not related to *Fault*). In this case, only Regulation 21.10.6(a) (*Substantial Assistance*) applies. (Regulation 21.10.6(c), Prompt Admission, is not applicable because the period of *Ineligibility* is already below the two-year minimum set forth in Regulation 21.10.6(c).) Based on *Substantial Assistance*, the period of *Ineligibility* could be suspended by three-quarters of 16 months.* The minimum period of *Ineligibility* would thus be four months. (Assume for purposes of illustration in this example that the panel suspends ten months and the period of *Ineligibility* would thus be six months.)
4. Under Regulation 21.10.11, the period of *Ineligibility*, in principle, starts on the date of the final hearing decision. However, because the *Athlete* promptly admitted the anti-doping rule violation, the period of *Ineligibility* could start as early as the date of *Sample* collection, but in any event the *Athlete* would have to serve at least one-half of the *Ineligibility* period (i.e., three months) after the date of the hearing decision (Regulation 21.10.11(b)).
5. Since the *Adverse Analytical Finding* was committed in a *Competition*, the panel would have to automatically *Disqualify* the result obtained in that *Competition* (Regulation 21.9).
6. According to Regulation 21.10.8, all results obtained by the *Athlete* subsequent to the date of the *Sample* collection until the start of the period of *Ineligibility* would also be *Disqualified* unless fairness requires otherwise.
7. The information referred to in Regulation 21.14.3(b) must be *Publicly Disclosed*, unless the *Athlete* is a *Minor*, since this is a mandatory part of each sanction (Regulation 21.10.13).
8. The *Athlete* is not allowed to participate in any capacity in a *Competition* or other sport-related activity under the authority of any *Signatory* or its affiliates during the *Athlete's* period of *Ineligibility* (Regulation 21.10.12(a)). However, the *Athlete* may return to train with a team or to use the facilities of a club or other member organization of a *Signatory* or its affiliates during the shorter of: (a) the last two months of the *Athlete's*

period of *Ineligibility*, or (b) the last one-quarter of the period of *Ineligibility* imposed (Regulation 21.10.12(b)). Thus, the *Athlete* would be allowed to return to training one and one-half months before the end of the period of *Ineligibility*.

EXAMPLE 2.

Facts: An *Adverse Analytical Finding* results from the presence of a stimulant which is a *Specified Substance* in an *In-Competition* test (Regulation 21.2.1); the *Anti-Doping Organization* is able to establish that the *Athlete* committed the anti-doping rule violation intentionally; the *Athlete* is not able to establish that the *Prohibited Substance* was *Used Out-of-Competition* in a context unrelated to sport performance; the *Athlete* does not promptly admit the anti-doping rule violation as alleged; the *Athlete* does provide *Substantial Assistance*.

Application of Consequences:

1. The starting point would be Regulation 21.10.2. Because the *Anti-Doping Organization* can establish that the anti-doping rule violation was committed intentionally and the *Athlete* is unable to establish that the substance was permitted *Out-of-Competition* and the *Use* was unrelated to the *Athlete's* sport performance (Regulation 21.10.2(c)), the period of *Ineligibility* would be four years (Regulation 21.10.2.(a)(ii)).
2. Because the violation was intentional, there is no room for a reduction based on *Fault* (no application of Regulations 21.10.4 and 21.10.5). Based on *Substantial Assistance*, the sanction could be suspended by up to three-quarters of the four years.* The minimum period of *Ineligibility* would thus be one year.
3. Under Regulation 21.10.11, the period of *Ineligibility* would start on the date of the final hearing decision.
4. Since the *Adverse Analytical Finding* was committed in a *Competition*, the panel would automatically *Disqualify* the result obtained in the *Competition*.
5. According to Regulation 21.10.8, all results obtained by the *Athlete* subsequent to the date of *Sample* collection until the start of the period of *Ineligibility* would also be *Disqualified* unless fairness requires otherwise.
6. The information referred to in Regulation 21.14.3(b) must be *Publicly Disclosed*, unless the *Athlete* is a *Minor*, since this is a mandatory part of each sanction (Regulation 21.10.13).
7. The *Athlete* is not allowed to participate in any capacity in a *Competition* or other sport-related activity under the authority of any *Signatory* or its affiliates during the *Athlete's* period of *Ineligibility* (Regulation 21.10.12(a)). However, the *Athlete* may return to train with a team or to use the facilities of a club or other member organization of a *Signatory* or its affiliates during the shorter of: (a) the last two months of the *Athlete's* period of *Ineligibility*, or (b) the last one-quarter of the period of *Ineligibility* imposed (Regulation 21.10.12(b)). Thus, the *Athlete* would be allowed to return to training two months before the end of the period of *Ineligibility*.

EXAMPLE 3.

Facts: An *Adverse Analytical Finding* results from the presence of an anabolic steroid in an *Out-of-Competition* test (Regulation 21.2.1); the *Athlete* establishes *No Significant Fault or Negligence*; the *Athlete* also establishes that the *Adverse Analytical Finding* was caused by a *Contaminated Product*.

Application of Consequences:

1. The starting point would be Regulation 21.10.2. Because the *Athlete* can establish through corroborating evidence that he did not commit the anti-doping rule violation intentionally, i.e., he had *No Significant Fault* in *Using a Contaminated Product* (Regulations 21.10.2(a)(i) and 21.10.2(c)), the period of *Ineligibility* would be two years

(Regulations 21.10.2(b)).

2. In a second step, the panel would analyze the *Fault*-related possibilities for reductions (Regulations 21.10.4 and 21.10.5). Since the *Athlete* can establish that the anti-doping rule violation was caused by a *Contaminated Product* and that he acted with *No Significant Fault or Negligence* based on Regulation 21.10.5(a)(ii), the applicable range for the period of *Ineligibility* would be reduced to a range of two years to a reprimand. The panel would determine the period of *Ineligibility* within this range, based on the *Athlete's* degree of *Fault*. (Assume for purposes of illustration in this example that the panel would otherwise impose a period of *Ineligibility* of four months.)
3. According to Regulation 21.10.8, all results obtained by the *Athlete* subsequent to the date of *Sample* collection until the start of the period of *Ineligibility* would be *Disqualified* unless fairness requires otherwise.
4. The information referred to in Regulation 21.14.3(b) must be *Publicly Disclosed*, unless the *Athlete* is a *Minor*, since this is a mandatory part of each sanction (Regulation 21.10.13).
5. The *Athlete* is not allowed to participate in any capacity in a *Competition* or other sport-related activity under the authority of any *Signatory* or its affiliates during the *Athlete's* period of *Ineligibility* (Regulation 21.10.12(a)). However, the *Athlete* may return to train with a team or to use the facilities of a club or other member organization of a *Signatory* or its affiliates during the shorter of: (a) the last two months of the *Athlete's* period of *Ineligibility*, or (b) the last one-quarter of the period of *Ineligibility* imposed (Regulation 21.10.12(b)). Thus, the *Athlete* would be allowed to return to training one month before the end of the period of *Ineligibility*.

EXAMPLE 4.

Facts: An *Athlete* who has never had an *Adverse Analytical Finding* or been confronted with an anti-doping rule violation spontaneously admits that she *Used* an anabolic steroid to enhance her performance. The *Athlete* also provides *Substantial Assistance*.

Application of Consequences:

1. Since the violation was intentional, Regulation 21.10.2(a) would be applicable and the basic period of *Ineligibility* imposed would be four years.
2. There is no room for *Fault*-related reductions of the period of *Ineligibility* (no application of Regulations 21.10.4 and 21.10.5).
3. Based on the *Athlete's* spontaneous admission (Regulation 21.10.6(b)) alone, the period of *Ineligibility* could be reduced by up to one-half of the four years. Based on the *Athlete's Substantial Assistance* (Regulation 21.10.6(a)) alone, the period of *Ineligibility* could be suspended up to three-quarters of the four years.* Under Regulation 21.10.6(d), in considering the spontaneous admission and *Substantial Assistance* together, the most the sanction could be reduced or suspended would be up to three-quarters of the four years. The minimum period of *Ineligibility* would be one year.
4. The period of *Ineligibility*, in principle, starts on the day of the final hearing decision (Regulation 21.10.11). If the spontaneous admission is factored into the reduction of the period of *Ineligibility*, an early start of the period of *Ineligibility* under Regulation 21.10.11(b) would not be permitted. The provision seeks to prevent an *Athlete* from benefitting twice from the same set of circumstances. However, if the period of *Ineligibility* was suspended solely on the basis of *Substantial Assistance*, Regulation 21.10.11(b) may still be applied, and the period of *Ineligibility* started as early as the *Athlete's* last *Use* of the anabolic steroid.

REGULATIONS

5. According to Regulation 21.10.8, all results obtained by the *Athlete* subsequent to the date of the anti-doping rule violation until the start of the period of *Ineligibility* would be *Disqualified* unless fairness requires otherwise.
6. The information referred to in Regulation 21.14.3(b) must be *Publicly Disclosed*, unless the *Athlete* is a *Minor*, since this is a mandatory part of each sanction (Regulation 21.10.13).
7. The *Athlete* is not allowed to participate in any capacity in a *Competition* or other sport-related activity under the authority of any *Signatory* or its affiliates during the *Athlete's* period of *Ineligibility* (Regulation 21.10.12(a)). However, the *Athlete* may return to train with a team or to use the facilities of a club or other member organization of a *Signatory* or its affiliates during the shorter of: (a) the last two months of the *Athlete's* period of *Ineligibility*, or (b) the last one-quarter of the period of *Ineligibility* imposed (Regulation 21.10.12(b)). Thus, the *Athlete* would be allowed to return to training two months before the end of the period of *Ineligibility*.

EXAMPLE 5.

Facts:

An *Athlete Support Person* helps to circumvent a period of *Ineligibility* imposed on an *Athlete* by entering him into a *Competition* under a false name. The *Athlete Support Person* comes forward with this anti-doping rule violation (Regulation 21.2.9) spontaneously before being notified of an anti-doping rule violation by an *Anti-Doping Organization*.

Application of Consequences:

1. According to Regulation 21.10.3(d), the period of *Ineligibility* would be from two up to four years, depending on the seriousness of the violation. (Assume for purposes of illustration in this example that the panel would otherwise impose a period of *Ineligibility* of three years.)
2. There is no room for *Fault*-related reductions since intent is an element of the anti-doping rule violation in Regulation 21.2.9 (see comment to Regulation 21.10.5(b)).
3. According to Regulation 21.10.6(b), provided that the admission is the only reliable evidence, the period of *Ineligibility* may be reduced down to one-half. (Assume for purposes of illustration in this example that the panel would impose a period of *Ineligibility* of 18 months.)
4. The information referred to in Regulation 21.14.3(b) must be *Publicly Disclosed* unless the *Athlete Support Person* is a *Minor*, since this is a mandatory part of each sanction (Regulation 21.10.13).

EXAMPLE 6.

Facts: An *Athlete* was sanctioned for a first anti-doping rule violation with a period of *Ineligibility* of 14 months, of which four months were suspended because of *Substantial Assistance*. Now, the *Athlete* commits a second anti-doping rule violation resulting from the presence of a stimulant which is not a *Specified Substance* in an *In-Competition* test (Regulation 21.2.1); the *Athlete* establishes *No Significant Fault or Negligence*; and the *Athlete* provided *Substantial Assistance*. If this were a first violation, the panel would sanction the *Athlete* with a period of *Ineligibility* of 16 months and suspend six months for *Substantial Assistance*.

Application of Consequences:

1. Regulation 21.10.7 is applicable to the second anti-doping rule violation because Regulation 21.10.7(d)(i) and Regulation 21.10.7(e) apply.
2. Under Regulation 21.10.7(a), the period of *Ineligibility* would be the greater of:

- (a) six months;
- (b) one-half of the period of *Ineligibility* imposed for the first anti-doping rule violation without taking into account any reduction under Regulation 21.10.6 (in this example, that would equal one-half of 14 months, which is seven months); or
- (c) twice the period of *Ineligibility* otherwise applicable to the second anti-doping rule violation treated as if it were a first violation, without taking into account any reduction under Regulation 21.10.6 (in this example, that would equal two times 16 months, which is 32 months).

Thus, the period of *Ineligibility* for the second violation would be the greater of (a), (b) and (c), which is a period of *Ineligibility* of 32 months.

3. In a next step, the panel would assess the possibility for suspension or reduction under Regulation 21.10.6 (non-*Fault*-related reductions). In the case of the second violation, only Regulation 21.10.6(a) (*Substantial Assistance*) applies. Based on *Substantial Assistance*, the period of *Ineligibility* could be suspended by three-quarters of 32 months.* The minimum period of *Ineligibility* would thus be eight months. (Assume for purposes of illustration in this example that the panel suspends eight months of the period of *Ineligibility* for *Substantial Assistance*, thus reducing the period of *Ineligibility* imposed to two years.)
4. Since the *Adverse Analytical Finding* was committed in a *Competition*, the panel would automatically *Disqualify* the result obtained in the *Competition*.
5. According to Regulation 21.10.8, all results obtained by the *Athlete* subsequent to the date of *Sample* collection until the start of the period of *Ineligibility* would also be *Disqualified* unless fairness requires otherwise.
6. The information referred to in Regulation 21.14.3(b) must be *Publicly Disclosed*, unless the *Athlete* is a *Minor*, since this is a mandatory part of each sanction (Regulation 21.10.13).
7. The *Athlete* is not allowed to participate in any capacity in a *Competition* or other sport-related activity under the authority of any *Signatory* or its affiliates during the *Athlete's* period of *Ineligibility* (Regulation 21.10.12(a)). However, the *Athlete* may return to train with a team or to use the facilities of a club or other member organization of a *Signatory* or its affiliates during the shorter of: (a) the last two months of the *Athlete's* period of *Ineligibility*, or (b) the last one-quarter of the period of *Ineligibility* imposed (Regulation 21.10.12(b)). Thus, the *Athlete* would be allowed to return to training two months before the end of the period of *Ineligibility*.

* Upon the approval of WADA in exceptional circumstances, the maximum suspension of the period of *Ineligibility* for *Substantial Assistance* may be greater than three-quarters, and reporting and publication may be delayed.

ANNEXE 3 Testing

1. Validation of the Identity of Athletes

The *Sample* Collection Authority appointed by World Sailing will validate the identity of an *Athlete* selected to provide a sample by their Event accreditation which includes a photograph, or by their passport.

2. Delayed Reporting

The DCO / Chaperone may at his / her discretion consider any reasonable third party request or any request by the *Athlete* for permission to delay reporting to the *Doping Control* Station following acknowledgement and acceptance of notification, and / or to leave the *Doping Control* Station temporarily after arrival, and may grant such permission if the *Athlete* can be continuously chaperoned and kept under direct observation during the delay. For example, delayed reporting to / temporary departure from the *Doping Control* Station may be permitted for the following activities:

- (a) For *In-Competition Testing*:
 - (i) The washing down of equipment and making safe;
 - (ii) Participation in a presentation ceremony;
 - (iii) Fulfilment of media commitments;
 - (iv) Obtaining necessary medical treatment;
 - (v) Locating a representative and / or interpreter;
 - (vi) Obtaining photo identification; or
 - (vii) Any other reasonable circumstances, as determined by the DCO, taking into account any instructions of the *Testing* Authority.
- (b) For *Out-of-Competition Testing*:
 - (i) Locating a representative;
 - (ii) Completing a training session;
 - (iii) Receiving necessary medical treatment;

4. Storage of *Sample* Collected

To ensure the integrity, identity and security of each *Sample* collected prior to transport from the Doping Control Station:

- (a) *Samples* must not be left unattended, unless they are locked away in a refrigerator or cupboard, for example. Access shall be restricted to authorized personnel.
- (b) Where possible, *Samples* should be stored in a cool environment. Warm conditions should be avoided.
- (c) The DCO shall accurately complete appropriate documentation for each transport bag / container to ensure that the laboratory can verify the contents of the bag / container.
- (d) The DCO shall follow the ADO's system to ensure that, where required, instructions for the type of analysis to be conducted are provided to the laboratory.

APPENDIX 3 – ELIGIBILITY CODE

19. ELIGIBILITY CODE***Competition Eligibility***

- 19.1 An individual shall have Competition Eligibility unless that eligibility has been suspended or revoked. 'Competition Eligibility' means the individual has a general entitlement to take part in competition in the sport of sailing.
- 19.2 An individual who does not have Competition Eligibility, or who is in breach of any condition imposed on his Competition Eligibility, shall not compete in any competition in the sport of sailing to which the RRS or these Regulations apply in whole or in part.
- 19.3 A boat that races with, as part of her crew, a competitor who is in breach of this Code shall be disqualified from all such races.

World Sailing Eligibility

- 19.4 In addition to Competition Eligibility, a competitor has 'World Sailing Eligibility' if he meets the following conditions:
- (a) he is a member of his/her Member National Authority or one of its affiliated organizations. Such membership to be established by the competitor either:
 - (i) by being entered by a national authority of the country of which the competitor is a national or ordinarily a resident; or
 - (ii) by presenting a valid membership card or certificate, or other satisfactory evidence of identity and membership;
 - (b) he is registered as an 'World Sailing Sailor' on the World Sailing Website for those events listed under Regulations 19.6(a) to (c), Olympic Qualification Events and World Sailing Graded Match Racing Events;

By submitting a crew list an *entrant* declares that they have done this in full knowledge and responsibility of compliance with these requirements for the event.

Protest Grounds and Procedures

- 22.5.1 After the *Crew Deadline* a boat may be protested on the grounds that:
- (a) when classification for a competitor was applied for, information that should have led to a higher classification was not disclosed; or
 - (b) a competitor has, since being classified, engaged in activities incompatible with the classification
- and that the boat would break the crew limitations in the notice of race, sailing instructions or class rules were the classification to be corrected. The time limit for a boat to protest is the *Classification Protest Time Limit*, or, if later, 24 hours after the posting of a changed crew list. The sailing instructions may state a different time limit.
- 22.5.2 When a protest is upheld, and:
- (a) the boat has not yet raced in the event, the boat will not be penalize; but if
 - (b) the decision to uphold the protest is made after the boat has raced in the event, the boat shall be disqualified from all races already completed except when the protest arises from a report as set out in 22.5.6 in which case 22.5.6 shall apply.

REGULATIONS

The boat shall not race with that competitor as crew, unless the sailing instructions permit a change of crew after the *Crew Deadline* and then only when the protest committee is satisfied that the boat meets the crew limitations.

- 22.5.3 The protestee is entitled, on request, to present evidence of a personal or private nature in the absence of the protestor, and the protest committee shall not record that evidence in the protest decision. When the protest committee, on hearing the evidence, is not satisfied that it is of a personal or private nature, it shall disregard the evidence unless it is offered again in the presence of the protestor. This changes RRS 63.3(a).
- 22.5.4 When the protest committee is in doubt as to the classification of a competitor, it may refer its facts found to the *Classification Authority* and shall be governed by the decision by the *Classification Authority* on those facts.
- 22.5.5 The protest committee shall report within 14 days its decision to the *Classification Authority*. If a competitor has given evidence under Regulation 22.5.3 the protest committee shall also report within 14 days a summary of that evidence to the *Classification Authority*.
- 22.5.6 When the classification of a competitor has been changed, suspended or cancelled during an event in accordance with Regulation 22.3.6(b) the new classification may be backdated by the *Classification Authority* to the commencement of the event. When as a result a boat may have broken a crew limitation rule, the *Classification Authority* shall report its decision in writing to the race committee which shall protest the boat. Any penalty shall be at the discretion of the protest committee.

requested by World Sailing or competent authority that may be relevant to the investigation.

- 37.4.6 The following are not relevant to the determination of a Violation of these Rules:
- (a) Whether or not the Participant was participating, or a Participant assisted by another Participant was participating, in the specific Event or Competition;
 - (b) The nature or outcome of any Bet in issue;
 - (c) The outcome of the Event or Competition on which the Bet was made;
 - (d) Whether or not the Participant's efforts or performance (if any) in any Event or Competition in issue were (or could be expected to be) affected by the acts or omissions in question;
 - (e) Whether or not the results in the Event or Competition in issue were (or could be expected to be) affected by the acts or omissions in question.

37.5 **Reports Concerning Violations**

- 37.5.1 Any report concerning a Violation (or alleged Violation) shall be made to the Chief Executive Officer. Regulation 35 shall then apply to the report. World Sailing may investigate the report, conduct any relevant hearing and impose sanctions on a Participant for any proven Violations in accordance with Regulation 35.
- 37.5.2 World Sailing may conduct an investigation into the activities of any Participant that it believes may have committed a Violation of these Rules and may appoint one or more Persons for this purpose. Such investigation may be conducted in conjunction with relevant competent national or international authorities (including criminal, administrative, professional and/or judicial authorities) and all Participants must co-operate fully with such investigations. World Sailing shall have discretion, where it deems it appropriate, to stay its own investigation pending the outcome of investigations conducted by other competent authorities.
- 37.5.3 As part of any such investigation, if World Sailing reasonably suspects that a Participant has committed a Violation of these Rules, it may make a written demand to such Participant for information that is related to the alleged Violation and/or require the attendance of such Participant for interview, or a combination of the two. Any interview shall be at a time and place to be determined by World Sailing and the relevant Participant shall be given reasonable notice in writing of the requirement to attend. Interviews shall be recorded and the Participant shall be entitled to have legal counsel and an interpreter present.
- 37.5.4 By participation in a Competition, each Participant shall be deemed to have agreed for the purposes of applicable data protection laws and other laws, and for all other purposes, to have consented to the collection, processing, disclosure or any other use of information relating to his activities (including without limitation personal information) to the extent permitted under these Rules and shall confirm such agreement in writing upon demand.

37.6 **Disqualification of Results**

- 37.6.1 Subject to Rule 37.6.2, a Violation of these Rules by a Participant automatically leads to disqualification of the result obtained by a boat of which the Participant is a crewmember in that Competition with all resulting consequences, including forfeiture of any medals, points and prizes.
- 37.6.2 If a Participant is a crew member of a boat having a crew of more than three crewmembers and he is found to have committed a Violation of these Rules during an Event or Competition, Rule 37.6.1 does not apply. Instead the boat may be subject to such disciplinary action by World Sailing as it deems appropriate if there have been Violations of these Rules by more than one Participant who is a crew member of (or is

associated with) the boat and World Sailing is satisfied there has been a resulting material advantage to such boat in breach of these Rules, or such breaches have been organized or condoned by other Participants being crewmembers of the boat or those charged with managing the boat and/or its crewmembers.

37.7 Recognition of Decisions

37.7.1 Member National Authorities shall comply with, recognise and take all necessary and reasonable steps within their powers to enforce and give effect to these Rules and to all decisions and Sanctions imposed hereunder.

37.7.2 Final decisions of a Major Event Organisation in relation to a Participant that are within the Major Event Organisation's jurisdiction and based on the same or similar betting and anti-corruption rules as these Rules shall be recognised and respected by World Sailing upon receipt of notice of the same. Any disciplinary process, so far as determining a Participant's Sanction beyond the sanction imposed by the Major Event Organisation is concerned, shall be determined by World Sailing in accordance with these Rules

APPENDIX 6 – DISCIPLINARY, APPEALS AND REVIEW CODE

35.1 Introduction

- 35.1.1 This Code defines the structures applicable to allegations of Misconduct and to other judicial processes in the sport of sailing.
- 35.1.2 This Introduction is intended to give an overview of the way in which the Code operates. The introduction does not define the structures, and participants should carefully read all the applicable Parts of this Code.
- 35.1.3 There are four different structures in place, each designed to address the different circumstances which will apply to matters which will be addressed under them. Those structures are:
- (a) those relating to major international events (Part C);
 - (b) those relating to all other events (Part D);
 - (c) those relating to other disciplinary complaints (Part E); and
 - (d) those relating to appeals and reviews of other decisions made or within World Sailing (Part G).
- 35.1.4 The whole structure and process is administered by the Judicial Board.

Major International Events

- 35.1.5 At major international events, an investigator (known as the Event Disciplinary Investigation Officer) is appointed and makes decisions as to whether cases of Misconduct should be presented to the protest committee. If a case is to be presented, the matter proceeds to the protest committee at the event, which makes decisions as to any penalties appropriate to the event in question. Appeals against such event-level decisions are governed by the RRS, which exclude appeals from decisions of an international jury acting in accordance with RRS Appendix N.
- 35.1.6 If the penalty imposed at the event is above a certain threshold, the protest committee must report the matter directly to World Sailing. World Sailing will investigate and decide whether a charge of Misconduct should be laid against the participant and be determined by an independent panel appointed by the Judicial Board. That Panel will be empowered to impose sanctions wider than the event itself, including national or international sanctions, if it decides that the charge is made out.
- 35.1.7 An appeal lies to the Court of Arbitration for Sport against any decision by the Independent Panel (special arrangements apply for the Olympic and Paralympic Games).

All Other Events

- 35.1.8 At all other events the protest committee decides all issues of Misconduct at event level in accordance with the RRS. Appeals against such event-level decisions are governed by the RRS, which exclude appeals from decisions of an international jury acting in accordance with RRS Appendix N.
- 35.1.9 If the penalty imposed at the event is above a certain threshold the protest committee must report the matter to the Participant's MNA, which then has three months to decide

whether a wider penalty should be imposed or not (subject to any extensions of time which may be granted by the Judicial Board). Each MNA will have its own procedures by which such decisions are to be made and it is the responsibility of each MNA to ensure that such processes are fair and compliant with due process.

- 35.1.10 An appeal against the MNA decision will lie to either:
- (a) an Independent Appeal Panel appointed by the Judicial Board; or
 - (b) any other judicial making body that the MNA has previously nominated and which has been previously approved by World Sailing for that purpose.
- 35.1.11 If the MNA fails to reach any decision within 3 months, it must report the matter to World Sailing, and Judicial Board will then investigate the matter as if the event was a major international event.

Other Disciplinary Cases

- 35.1.12 Any complaint of Misconduct concerning an World Sailing committee or commission member, World Sailing Member, World Sailing officer, World Sailing Race Official or an World Sailing Representative may be made by certain persons with a legitimate interest in the alleged Misconduct. The complaint is to be made to the World Sailing Chief Executive Officer.
- 35.1.13 For other disciplinary complaints, the complaint is made to the relevant National Authority and processed under its rules of procedure and this Code.
- 35.1.14 For World Sailing -level complaints:
- (a) the Judicial Board will appoint a Disciplinary Investigation Officer to investigate and decide whether a charge should be laid against the person against whom the complaint is made;
 - (b) if a charge is laid, the Judicial Board will appoint an Independent Panel to determine the case and impose any appropriate sanction; and
 - (c) an appeal will lie to an Independent Appeal Panel appointed by the Judicial Board.

Appeals and Reviews of Decisions made by World Sailing

- 35.1.15 Where the World Sailing Constitution or Regulations permit a decision to be reviewed or appealed the appeal will be heard by an Independent Panel appointed by the Judicial Board. In certain cases, an appeal will lie to the Court of Arbitration for Sport. In other cases, there is no appeal against the decision of the Independent Panel.

35.2 Part A – Obligations concerning Misconduct

- 35.2.1 In this Code, a “Participant” means any competitor, boat owner, support person, World Sailing committee or commission member, World Sailing Member, World Sailing Officer, World Sailing Race Official, or World Sailing Representative.

If the Event Disciplinary Investigating Officer is a member of the international jury of the event, then he shall not be part of any hearing panel and shall not take part in any discussions or decisions concerning the case. The international jury remains properly constituted if one of its number is unable to hear a case due to appointment as the Event Disciplinary Investigating Officer, as provided for in RRS Appendix N.

35.4.3 Any complaint of Misconduct shall be referred to the Event Disciplinary Investigating Officer. The protest committee may impose any sanctions relevant to the event as provided for in the RRS. Any right of appeal of that decision will be governed by the RRS.

- (c) in any other case if it considers it appropriate to do so (including under RRS 69.2(k)).

35.4.19 Where the subject matter of or facts relating to a charge or charges against one or more Participant(s) are sufficiently linked (including, but not limited to, where Misconduct is alleged to have been committed at the same time or place or where there is common evidence), the relevant Disciplinary Investigating Officer may consolidate the disciplinary proceedings so that they are conducted together and determined at a joint hearing, subject to the protest committee and/or Independent Panel appointed deciding upon some alternative procedure.

- (a) to take no further action; or
- (b) to issue a warning to any Participant in the report, and thereafter take no further action; or
- (c) that a case of Misconduct has been made out and whether any and if so what further sanction within the jurisdiction of the National Authority should be imposed.

35.5.6 The decision of the National Authority made under Regulation 35.5.5 shall be communicated in writing to the Participant and to the Judicial Board at the first reasonable opportunity.

35.5.7 The sanctions that may be imposed by the National Authority are set out in Part F of this Code. When considering sanctions, the National Authority shall have regard to:

- (a) any sanction guidelines published by the Judicial Board prior to the event; and

REGULATIONS

 - (c) take over conduct of the report.
- 35.5.11 In the event that the Judicial Board takes over conduct of the report, such conduct shall be in accordance with Regulations 35.4.8 to 35.4.16, save that the time limits will run from the date that the Judicial Board took over conduct of the report. The National Authority shall provide to the Judicial Board, all recordings of any hearing and all documents or other evidence available to it.

Appeals against the decision of the National Authority

- 35.5.12 There is a right of appeal from the decision of the National Authority to:
 - (a) an alternative dispute resolution body appointed by the National Authority if those arrangements have been approved by World Sailing; or
 - (b) if World Sailing has not approved any alternative arrangements, to the Judicial Board if, and only if, the decision of the National Authority imposes a suspension or revocation of more than three months on the Competition Eligibility or World Sailing Eligibility of the Participant; or
 - (c) the Judicial Board if the Chief Executive Officer considers that the decision of the National Authority is unduly lenient.
- 35.5.13 Any appeal shall be made in writing within fourteen days of the decision of the National Authority.

- 35.5.15 The procedure to be adopted by the Independent Appeal Panel will be governed by Rules of Procedure published by the Judicial Board.
- 35.5.16 World Sailing, National Authorities and Participants hereby agree to be bound by the decision of the Independent Appeal Panel determining the appeal, or by the decision of the alternative dispute resolution body appointed. There will be no appeal from such a decision.
