| <p>Please give a short report of the World Championship(s) & send a copy of the final overall results.</p> | <p>1) ORGANISATION QUALITY?</p> <p>2) VENUE GOOD & BAD POINTS?</p> <p>AFLOAT: The trapezoid course is well suited for the championships. Racing was improved greatly after the leeward gate was added. The race committees need to take care that the courses are separated by enough distance that the lay lines of different courses do not overlap. It would be helpful to have marks that are of different colors and shapes on the different courses.</p> |
| <p>Please state any recommendations for future World Championship events</p> | <p>None</p> |
