NAME OF PRINCIPAL RACE OFFICER: Rafael Bohorquez NAME OF EVENT CHIEF MEASURER: Barry Johnson
Please give a short report of the World Championships	1) QUALITY OF EVENT ORGANISATION? Excellent. Enthusiastic, knowledgeable and co-operative team

	<p>2) VENUE SUITABILITY FOR FUTURE WORLDS?  ASHORE: First Class  AFLOAT: Excellent</p> <p>3) STANDARDS/ LEVEL OF RACING?  Very high at the front of the fleet. With a large entry, we had a number of teams, which were at the enthusiastic entry level.</p>
<p>Please state any recommendations for future World Championships</p>	<p>When we have a large entry such as this (probably at the start of the 4 year Olympic cycle) we need to be more flexible over the allocation of courses in the final series, and avoid a situation where we were unable to switch fleets.</p>
