

INTERNATIONAL 8 METRE CLASS ASSOCIATION

The following amendments to the Class Rules have been approved to be effective 1st January 2004.

Measurement Instruction 11

Amendment: Delete current Measurement Instruction and replace with the following:

“The measurement certificate form, as shown in Measurement Instruction 31, shall be used by IEMA in issuing measurement certificates in accordance with the class rule. All measurements shall be taken twice and a third time if there is material disagreement.”

Measurement Form

Amendment: The Class have approved a new measurement form which takes into account deck measurements and some additional spar measurements.

NEW Rule 37 – Electronic Instruments

Amendment: Add new rule to read as follows:

“Electronic positioning systems including but not limited to the Global Positioning System (GPS) are permitted. Displaying the data from the positioning system in the same device with other data is permitted. Any other interfacing , exchanging or processing of data from the positioning system with data from other electronic devices is not permitted. Any kind of radar or other distance measuring devices alike are not permitted.”
