Please give a short report of the World Championships	1) QUALITY OF EVENT ORGANISATION? Super event. Participants were very pleased with the quality of the event. Volunteers were friendly, worked hard and very helpful and accommodating. Food was excellent. All participants were treated to a fabulous gourmet breakfast and lunch and 2 social dinners as well as snacks and treats

	<p>(goodies &amp; candies – very popular) for when they came off the water. Each participant got a t-shirt and an event glass. Competition was friendly and sportsmanlike. The volunteers arranged for spectator boats for the parents.</p> <p>2) VENUE SUITABILITY FOR FUTURE WORLDS?</p> <p>ASHORE: Very suitable. Although somewhat limited for trailer parking.</p> <p>AFLOAT: Some days competitors had to sail 45 mins to the race course. Shallow in spots</p> <p>3) STANDARDS/ LEVEL OF RACING? Good level of racing.</p>
Please state any recommendations for future World Championships	<p>The Mantoloking YC is a good venue for future worlds. Because of the shallow spots some Classes would not be suitable.</p>
