Please give a short report of the World Championship(s) & send a copy of the final overall results .	<p>1) ORGANISATION QUALITY? Well organised both on and off the water, but an small group of enthusiastic individuals. Communication between the Class and organisers was generally good, both before and during the event.</p> <p>2) VENUE GOOD & BAD POINTS?</p> <p>ASHORE: Central location, well laid out dinghy park. Personal Address system was very good.</p> <p>Only one ramp for launching.</p> <p>AFLOAT: Races conducted well, although courses sometimes rather near to the shore and in rather shallow water at times.</p>

	Rescue cover was initially patchy, but sufficient once some supporter RIBs were brought into play.
Please state any recommendations for future World Championship events	None
