

2020 Olympic Sailing Competition

Events & Equipment

A submission from the Chairman of the Events Committee

Purpose or Objective

To clarify and finalise the ten Events and Equipment for the 2020 Olympic Sailing Competition.

Proposal

To confirm that no changes be made to Regulation 23.1.4 and therefore that the events and equipment for the 2020 Olympic Sailing Competition are:

- Men's Windsurfer – RS: X
- Women's Windsurfer – RS: X
- Men's One Person Dinghy – Laser
- Women's One Person Dinghy – Laser Radial
- One Person Dinghy (Heavyweight) – Finn
- Men's Two Person Dinghy – 470
- Women's Two Person Dinghy – 470
- Men's Skiff – 49er
- Women's Skiff – 49er FX
- Mixed Multihull – Nacra 17

The recommendation to change to a foiling Nacra 17 was supported by Council in November 2015 (subject to evaluation) and this evaluation has been since confirmed by the Nacra 17 Class EGM and the Equipment Committee in November 2016.

Current Position

Regulation 23.1.4.

Reason

At the 2016 World Sailing Annual Conference the Council voted to confirm the same Events and Equipment used at the Rio 2016 Olympic Games for the Tokyo 2020 Olympic Sailing Competition.
