(iv) a report on the event organization, the overall quality of the event and the standards of the racing;

The CLUB NAUTIC L'ESCALA has made a perfect organization for the Europe Class Worlds. Monthly meetings with the class President were held the last 4 months before the event to coordinate everything.

Ashore, a fantastic village for all sailors and support teams was set, with restaurant, bar, shadow (!), music entertainment, etc... All integrated in the building area with Race Office and only a few meters from the boat park.

The Race office was big and very efficient. Separate rooms for Jury, for Results, etc.. Opening and Closing Ceremonies were well organised. Other social events (daily presentation of the top 3 sailors at the provisional results, etc...) and a Sailors Night was done at the same venue, so it was easy to control by the organizers and team leaders.

Afloat, great work was done by the Race Committee. The sailing conditions were great, light, medium and strong wind. Only 1 day the races were cancelled because of a very strong north wind (25 – 35 kn.) that compromised the safety.

And, of course, as it was held in summer, the air and water temperature were perfect !

The IECU can strongly recommend the Club Nautic L'Escala as host for any international event for all classes.

(v) a report on the nature and quality of support supplied by ISAF and ISAF officials
