

Thank you for your interest in applying to become a certified ISAF Race Official.

Your application must be submitted to ISAF by 1 September 2009. In addition to filling out this form, there are a number of other things you must do to successfully apply. You must notify your national authority, get reference forms, obtain a passport photograph, etc., so please plan ahead.

You are applying for an initial appointment, so in accordance with ISAF Regulation 33.5, you must (a) be nominated by your Member National Authority, a Class/Owners Association, or the ISAF Race Officials Committee; and (b) be recommended by your Member National Authority. It is your responsibility to obtain the nomination and the recommendation. Before you begin, identify the name(s) of the person(s) who will nominate and recommend you, and obtain their email addresses. You will need this information to complete the application. Once you have completed this application form, it will be forwarded electronically to the persons you have identified. The nomination and recommendation can then be completed by them and forwarded electronically to ISAF.

You must get your photo taken with a digital camera. Save the digital photograph as a JPG file (size 240x240 pixels with a file size not larger than 250KB) on the computer you will use to complete the application form.

The ISAF Race Officials Committee strongly recommends that you refer to the applicable sections of ISAF Regulation 33 (<http://www.sailing.org/raceofficials/isafreg33>) which contains the criteria for being certified as an ISAF race official.

Additional information regarding ISAF Race Officials Performance can be found on the ISAF website here: <http://www.sailing.org/raceofficials/isafreg34>. Refer to Part VIII of the ISAF regulations for information regarding conflict of interest and race officials' conduct. The full ISAF regulations can be found here: <http://www.sailing.org/isafregulations.php>.

At the end of each application form there are two buttons that automate the transfer of the data in the completed applications. Carefully follow the instructions for each button.

If you have any questions, please contact the ISAF Secretariat at raceofficials@isaf.co.uk.
