Girl's Windsurfer	RS:X with 8.5m ² sail & 60cm fin
Open High Performance Dinghy	29er
Open Multihull	SL 16

- 4.2 A penalty may be given or the use of a boat or board may be withdrawn if, in the opinion of the organizing authority, a competitor treats or handles a boat or board without care or in a manner which causes or is likely to cause damage to the boat or board.
- 4.3 All equipment will, except contained in 4.4 and 4.5, be supplied free of charge including rig, sail and equipment for all classes (except items mentioned in 4.7, 4.8, 4.9 and 4.10).
- 4.4 The organizing authority will not supply compasses or other tactical devices, wind indicators, buoyancy jackets, trapeze harnesses, hiking pants, wet or dry suits or other personal equipment. No modification to a boat or board shall be made unless authorized by the organising authority.
- 4.5 Competitors may bring and use the following equipment: sponge, hand bailer, water bottles (only to be attached to the boat with rope or tape), compass, wind indicators, including yarn or thread (may be tied or taped anywhere on the boat, provided their fitting does not mark, pierce or damage the hull, deck, sails or spars).
- 4.6 Adhesive tape may be used anywhere above the waterline, but the tape needs to be removable after the event without leaving any permanent damage. There shall be no writing with permanent markers directly on the supplied equipment. No wax shall be applied. Hulls, centreboards and rudders may be cleaned, but only with water and ordinary soap.
- 4.7 For Laser Radial only: **Competitors must bring their own lines, sheet and blocks (including cunningham, downhaul, traveller and vang systems) and tiller/tiller extension.** Competitors will be supplied with a fully fitted Laser hull including the deck block fitting and the two single blocks and cleats for the deck led cunningham and outhaul systems. The boats will be supplied with mini side deck cleats for the main sheet, centreboard, rudder, mast, boom and sail.
- 4.8 For 420 only: **Competitors must bring their own tow-rope (in accordance with specification of the class rules).** Competitors may bring and use a fitting made of tape/wood/plastic and shockcord for retaining the spinnaker halyard. This fitting shall only be attached using tape and not in a position above the gooseneck.
- 4.9 For RS:X only: **Competitors must bring their own outhaul and downhaul systems** (ropes, cleats and pulleys) No permanent fixings will be used to attach these. Harness lines will not be provided by the organisers.
- 4.10 For 29'er only: The boat's sails, spars, rigging, control lines and fittings shall be used as supplied, unless alterations or additions are specifically authorized by the ISAF Technical Delegate. Halyards will be of Dyneema core (not wire) and may not be substituted. The boats will be fitted with toe straps at the aft end of the gunwale. Competitors may install their own tiller extension, or twin extensions, but the attachment fitting must be left installed on the tiller at the end of the regatta. There must be an additional shock cord attached to the food strops and the aft main sheet block supplied by the manufacturer if a twin tiller extension will be used.
- 4.11 Boats and boards will not be required to be pre-measured. However, measurement checks may be carried out by the race committee at any time on any boat or board to ensure compliance with the rules.
- 4.12 Boats may be required to carry cameras, sound equipment or positioning equipment as specified by the organising authority.
- 4.13 Failure of supplied equipment will not be grounds for redress. This changes rule 62.1(a).
- 5. ENTRIES**
- 5.1 A national authority in good standing with ISAF may enter one crew in all or any of the disciplines listed in 4.1.

- 5.2 Such national authority may register an official team leader and one coach. If a national authority enters competitors in at least one event per race area, one additional coach is permitted.

RACE AREA	EVENTS
