Please give a short report of the World Championship(s) & send a copy of the final overall results .	<p>1) ORGANISATION QUALITY? Courses were good in terms of size and squareness, although some courses set too close to shore and there were some poor start lines with not enough discipline with premature starters and recalls.</p> <p>2) VENUE GOOD & BAD POINTS?</p> <p>ASHORE: Nice clubhouse, views over harbour, large dinghy park, room for many containers and cars. Nice, welcoming and friendly club. Fantastic bar service. Short walk to amenities. Long walk to town. Camping not allowed on site.</p> <p>AFLOAT: Generally fickle winds with large shifts.</p>

	Can change rapidly. Little tide. Very large waves can build up very quickly.
Please state any recommendations for future World Championship events	Recommended
