

**The following RS:X Class Rule Change proposals have been approved to be effective 16 February 2011.**

**Current Rule :**

None

**Amended Rule :**

C.9.2(c) National Flags

For World and European Championships of Divisions A and B, the National flag of the competitor shall be displayed on both sides of the **sail** between battens 4 and 5. The material depicting the flag shall self-adhesive and be placed back to back within 100mm of the **leech**. The flag area shall be a minimum of 6000sq cms and the aspect ratio of the flag shall not be altered. The national flag shall be clearly discernable on both sides of the **sail**. The Notice of Race or Sailing Instructions of an event may amend this rule.
