<p>Please state any recommendations for future World Championship events</p>	<p>The Soling Masters Championship is a difficult category skipper must meet the criteria to have 50 or over at the same year of the championship and crew team mates together and skipper shall be 120 or more at the same year. As old the skipper is easier to find crew, reason just a few can sail the event.</p>

Please state any recommendations for future World Championship events	<p>The Soling Open World Championship is always run in a Yacht Club where a Soling Fleet exists, the one also always jump from one continent to another making the championship available closer to all sailors every three years. I would recommend this to all classes since we adopt this measure, class started to grow again.</p>
