IFDS World Championships Forum

Points raised:

- ISAF Regulation 24 was discussed at great length, with most if not all sailors agreeing this would be a big problem if we are excluded from the ISAF Sailing World Cup.
- Linda Merkle tried to reassure sailors that IFDS are doing things behind the scenes to get this changed.
- 2016 Equipment selection; it was noted that several of the boats being considered for 2016 were present in Weymouth and sailors were encouraged to have a go!
- Transparency was once again questioned between IFDS Exec and the sailing community- sailors still feel there is inadequate communication between the 2.
- Face book and Twitter accounts now exist and this was publicized to the Sailors.

IFDS Worlds Survey

- A survey taken after the 2011 IFDS World Championships was taken and the results have been given to the IFDS Executive Committee.
