Offshore Special Regulations 3.06

Exits on Monohulls Remove Age Allowances

A submission from the Chairman of Offshore Committee

Proposal:

3.06	Exits – Monohulls	Mo0,1,2,3,4
<u>3.06.1</u>	<u>Yachts with a hull length greater than 8.5 m shall have at least two exits. At least one exit shall be located forward of the foremost mast except where structural features prevent its installation</u>	<u>Mo1,2,3,4</u>
<u>3.06.2</u>	<u>Yachts shall have at least two exits. At least one exit shall be located forward of the foremost mast</u>	<u>Mo0</u>

Current Position:

3.06

Exits – Monohulls

Mo0,1,2,3,4

Table 4

==

LOA	Earliest of Age or Series Date	Detail	Mo0,1,2,3,4
8.5 m (28 ft) and over	1/95 and after	Yachts shall have at least two exits. At least one exit shall be located forward of the foremost mast except where structural features prevent its installation.	

Reason:

Removal of age allowances to simplify the rules and no dispensation for category 0 boats of any size.
