Article 1

A submission from the Federación Argentina de Yachting

Proposal

Amend Article 1 of the ISAF Constitution as follows:

GENERAL

1. In these presents the words standing in the first column of the Table next hereinafter contained shall bear the meaning set opposite to them respectively in the second column thereof, if not inconsistent with the subject or context –

WORDS

MEANINGS

The Council

The group who manages for the time being of the Federation, as defined in articles 39.1 to 57. ~~The Board of Directors for the time being of the Federation.~~

Current Position

As above.

Reason:

The Council has the ultimate responsibility for ISAF affairs and it is currently defined as the Board of Directors. This body is integrated by all Council members. Since a reduction in the number of members of the Board of Directors may be necessary Council's definition has to be amended and this amendment needs to maintain Council's traditional role.
