Please give a short report of the World Championship(s) & send a copy of the final overall results .	<p>1) ORGANISATION QUALITY? The week proved to be excellent however, we felt that some organisation appeared to be last minute although it all happened satisfactorily.</p> <p>2) VENUE GOOD & BAD POINTS?</p> <p>ASHORE: No issues – a very popular venue for the fleet and its immediate amenities suited the character of our association.</p> <p>AFLOAT: Excellent race management – although the number of safety boats that were promised did not attend. The conditions were such that extra craft were not required. Maybe they would have had the conditions warranted.</p> <p>Results – we have had a problem with the website hence the delay sending this report. I have a hard copy that I will forward although I hope to forward the results electronically within the next day or so.</p>
Please state any recommendations for future World	None
