Good: Big measurement and party tent The weather: clear water, blue skies, fantastic scenery with the cliffs Good ramp to launch boats Friendly atmosphere</p> <p>Bad: Toilet facilities</p> <p>(a) ASHORE: A big tent (also measurement tent) was situated close to the boat park where sailors would get together after sailing for free pasta and drinks and could stay out of the sun. The boatpark was a grass area surrounded by trees which also provided shade from the sun. The boatpark was also closed off at night and had a security guard.</p> <p>(b) AFLOAT: Race organisers were a bit unlucky with the conditions but did an excellent job in interpreting the forecast. The 6 races we sailed were perfectly timed and the course was perfectly laid. The race officer and his team really knew the venue and its</p>

	conditions very well.
Please state any recommendations for future World Championship events	<p>a) at the same venue: more and better toilet facilities</p> <p>b) generally in terms class logistic of running a worlds? (not venue specific points)</p>
