

SUBMISSION M003-06 REGULATION 17

Proposal:

A submission from Chairman of the Equipment Committee to amend ISAF Regulations:

Add a new regulation 17.1.2:

- 17. ISAF Events
Selection of Classes for ISAF Events
- 17.1 Only ISAF Classes shall be selected for ISAF events.
- 17.1.1 Notwithstanding Regulation 17.1 the Council may approve a non-ISAF Class boat for ISAF Match Racing and Team Racing events other than Olympic events.
- 17.1.2 **Notwithstanding Regulation 17.1, the Council may approve the selection of a non-ISAF Class boat that has been recommended as a result of an ISAF Equipment Evaluation.**

Add new wording to regulation 17.4.10:

- 17.4.10 The Classes for the ISAF Youth Sailing World Championship are:

- Boy's One Person Dinghy - Laser or Laser Radial
- Girl's One Person Dinghy - Laser Radial or Byte
- Boy's Two Person Dinghy - 420 or 29er
- Girl's Two Person Dinghy - 420 or 29er
- Boy's Windsurfer– Neil Pryde RS:X with the 8.5^m rig
- Girl's Windsurfer - Neil Pryde RS:X with the 8.5^m rig
- Open Multihull - Hobie 16 with spinnaker or Sirena SL16

Pursuant to Regulation 17.1.2, no class shall remain on the approved list for more than four years without obtaining ISAF Class status.

Reason:

The current regulations are obstructive to ISAF introducing to its own events those Classes it has recommended following equipment evaluation trials.

In November 2005 Council noted that the changes to the regulations were required to enable a non-ISAF Class to be used at ISAF Events in exceptional circumstances.
