Regulation 1.6(b)

A submission from the Argentine Yachting Federation

Proposal:

Amend Regulation 1.6 (b) as follows:

- 1.6 Subject to the provisions of Regulations 2.2 and 2.3, submissions or proposals shall be received at the ISAF Secretariat in respect of:
- (a) The Annual ISAF Meeting, by 1200 hours UTC on 1 August except Class rule change submissions, which shall be received by 1200 hours UTC on 1 September.
 - (b) The Mid-Year meeting or other meetings, not less than eight weeks before the meeting at which it is considered. ~~Only~~ Urgent submissions **and submissions regarding sailing policies and finance** may be considered at a Mid-Year meeting. The Executive Committee shall determine whether a submission is urgent. (The provisions of this section do not apply to submissions or proposals brought forward under Regulation 1.8);
 - (c) Notwithstanding Regulation 1.6 (a) and (b) above. Submissions made by the Executive Committee arising out of the September meeting shall not be late submissions provided they are included in the November Conference mailing.

Current Position:

See Regulation 1.6 (b)

Reason:

Both sailing policies and finance issues are discussed during Mid Year meetings, whereas technical issues are discussed during the Annual Meeting.

Mid Year meetings are held to discuss mainly these matters.

Due to this fact, submissions regarding these matters should not be placed only for the November meeting but for Mid-Year meetings as well.
