**To Separate Yngling World Championships from Olympic Class (women) and
Non-Olympic Class (open)**

A submission from the Royal Spanish Sailing Federation

Proposal

For the Yngling Class to run their World Championships (in particular those qualifying Countries for the forthcoming 2004 Games) to be run separately for the Olympic Class (women) and non-Olympic male Class.

Reason

All things being equal, for results to be fair and totally clear-cut, following the same criteria used for the Europe Olympic Class (women).
