

**Reporting Committee – Events**

**Other Committee – Executive, ISAF Classes**

**Olympic Regatta, Olympic Qualification**

**ISAF Regulation 16**

A submission from the President

**PROPOSAL:**

There will be only two Olympic Qualification regattas. One in 2007 and a second before 15<sup>th</sup> May 2008 each as an ISAF World Championship of the Olympic Classes. The Federation (ISAF) shall select the venues. All aspects of the events will require ISAF approval and supervision.

**CURRENT POSITION:**

There is no current position.

**REASON:**

The Olympic Qualification events are very intense and must be held to the highest possible standards. The Federation (ISAF) must ensure that this happens.

The events for Olympic Class World Championships will be left up to the classes in the non-Olympic Qualification years as is done now.
