Amendment to Regulation 31.3.3

A submission from the Norwegian Sailing Federation

Current Position

ISAF Regulation 31.3.3 (old 11.4.3)

Proposal

That Regulation 31.3.3 (old 11.4.3) is amended to include team racing calls.

First sentence would then read:

'In exception to Regulations 31.3.1 and 31.3.2, match racing calls **and team racing calls** for trial use may be proposed at any time by the Match and Team Racing Rules Working Party to the Racing Rules Committee for quarterly publications.'

Reason

Team racing has a need for a system to publish calls more frequently than the ordinary submission system
