

**Application for Recognized Class Status**

Musto Performance Skiff

An application from the Musto Performance Skiff Class Association

**Proposal:**

To adopt the Musto Performance Skiff Class Association class as an ISAF recognised class.

**Current Position:**

None.

**Reason:**

The Musto Performance Skiff class has an established international class association which has been in place over 5 years, with National class associations in Germany, Spain, Switzerland and UK. There are currently 13 countries with boats racing.

The boat is a single-handed skiff with trapeze and gennaker.

Class Rules in the ISAF Standard Class Rules format have been submitted.

Supporting information regarding the ISAF regulation requirements has also been submitted.
