Regulation 17

ISAF Youth Sailing World Championship

A submission from the Israel Yachting Association

**PROPOSAL:**

To amend Regulation 17.2.10 as follows:

The Classes for the ISAF Youth Sailing World Championship are:

Single handed dinghy boys - Laser ~~Standard or Laser Radial~~

Single handed dinghy girls - Laser Radial ~~or Byte~~

Double handed dinghy boys - 420 ~~or 29er~~

Double handed dinghy girls - 420 ~~or 29er~~

Windsurfing boys - Olympic Windsurf Class ~~Mistral~~

Windsurfing girls - Olympic Windsurf Class ~~Mistral~~

Multihull Open - According to the outcome of the evaluation event ~~Hobie 16~~

**CURRENT POSITION:**

See above.

**REASON:**

To allow competitors and Member National Authorities (MNAs) the opportunity to set up long term planning for their youth development and training like it is now and like it was in the past, allowing some kind of 'natural' continuity to the Olympic Regatta.
