Regional Games

A submission from the Chairman of the Regional Games Committee

PROPOSAL:

That ISAF should use the opportunity provided by Regional Games for promotional purposes and that:

1. The ISAF President or Vice-President, or someone nominated by them should attend the Regional Games
2. That whilst there a meeting should be held with regional sailing organisations and MNAs, to discuss issues effecting the sport and the future of the sport, explanation of ISAF and how it operates, the importance of MNAs involvement and participation with ISAF, promotion of women, which classes to develop and promote, race officials training, etc

CURRENT POSITION:

Now there is no formal ISAF activity at Regional Games.

REASON:

To assist in promoting the sport, create awareness of ISAF and how it operates, and for ISAF to have the opportunity to speak directly to the federations from that specific area.
