

Other Committees – Racing Rules

Amendment to The ISAF Eligibility Code

A submission from the Chairman of the Constitution Committee

Current Position

Regulation 19.3(e)

Any event for which the Organizing Authority, Member National Authority or ISAF has appointed an International Jury, International Umpires, International Race Officer(s), International Measurer(s) or ISAF Technical Delegates to serve in the capacity to which they have been appointed for that event.

Proposal

Amend Regulation 19.3(e) as follows:

Any event for which the Organizing Authority, Member National Authority or ISAF has appointed an International Jury, or International Umpires, International Race Officers, International Measurers or ISAF Technical Delegates to serve in their official capacity **for which they hold a Certificate of Appointment issued by ISAF.**

Reason

To clarify that under paragraph 19.3(e), ISAF Eligibility is required for an event only if ISAF officials have been appointed to serve because of their certification as ISAF Race Officials.
