

Racing Rules of Sailing

Rule 86.1(c)

A submission from US SAILING

Proposal

- (c) Class rules may change only racing rules 42, 49, 50, 51, 52, 53 and 54. **Such changes shall refer specifically to the rule and state the change.**

Note: The second sentence of this rule takes effect on 1 January 2011.

Current Position::

- (c) Class rules may change only racing rules 42, 49, 50, 51, 52, 53 and 54.

Reason:

To clearly identify the rule being changed. This service is now provided by rule 86.1(b) for rule changes made by sailing instructions, and also seems important for changes made by class rules. The delayed implementation is recommended so that classes have time to make necessary changes in their class rules.
