

**REPORTING COMMITTEE – KEELBOAT COMMITTEE  
OTHER COMMITTEE –**

**Class Rule Change**

J/24 Rule 2.5.3 (Measurement Certificate)

A submission from the International J/24 Class Association

**PROPOSAL:**

To amend the Rule as follows:

**No yacht shall race unless a current, valid Measurement Certificate has been issued by the International J/24 Class Association. This certificate will be in addition to any certificates required by the owner's national authority.**

**CURRENT POSITION:**

No yacht shall race unless a current, valid Measurement Certificate has been issued by the owner's national authority, or if a national authority is not administering the class, by the International J/24 Class Association.

**REASON:**

1. To remove conflict with Rule 2.5.1
2. To provide consistency in the measurement documentation World Wide
