

REPORTING COMMITTEE - MULTIHULL

OTHER COMMITTEE -

**Class Rule Change**

A submission from the International Hobie 14 Class Association, International Hobie 16 Class Association, International Hobie 17 Class Association, International Hobie 18 Class Association, Hobie Tiger Class Association

**PROPOSAL:**

Amend current General Hobie Cat rule 16.2b as follows:

16.2(b) Any sheet or lines made in whole or part of wire are prohibited, except as supplied by the HOBIE CAT CO. Sheets and lines, with the exception of the spinnaker halyard systems, are not permitted to be tapered unless allowed in the individual boat Class Rules.

**CURRENT POSITION:**

See above.

**REASON:**

Clarification and allowance for tapered sheets in the individual boat class rules.
