Class Rule Changes

A submission from the Sonar Class

**PROPOSAL:**

Add new rule D.8.2(h) to read as follows:

D.8.2 (h) Top of traveller track to the highest point of the seat, measured at points 100mm forward and 100mm aft of the centreline of the track. ----- Max 20mm.

**CURRENT POSITION:**

See above.

**REASON:**

D.8.2 (h) To prevent extraordinary placement of the traveller.
