Equipment Committee – Terms of Reference

New Olympic Decision Schedule and Post Olympic Report

A submission from the Chairman of the Equipment Committee

Proposal

15.11.6 The Equipment Committee shall:

(a) be responsible for recommending to the Council planning and policy recommendations on equipment matters;

(b) consider submissions on equipment matters and make recommendations thereon to the Council;

(c) be responsible for recommending equipment policy with regard to the Olympic Sailing Competition and at ISAF Events, conducting equipment trials or other evaluation, and making recommendations to Council on any change or evolution of Olympic Equipment, in accordance with the strategy and timescales in regulation 16.1:

(i) every four years, at the meeting immediately prior to the Olympic Games, recommend to the Council equipment matters relating to the events which are to compete in the Olympic Sailing Competition to take place in five years time;

(ii) every four years, at the meeting immediately after the Olympic Games, recommend to the Council equipment matters relating to the equipment to be used at the next Olympic Sailing Competition;

(b) review applications by classes for ISAF Status and make recommendations thereon to the Council;

(c) maintain a liaison with and be responsible for the supervision of the constitutions of ISAF Classes and to develop the concept of these classes to help them promote world sailing;

(d) periodically review the ISAF Classes and make recommendations where thought appropriate for the withdrawal of ISAF status;

(e) liaise with other ISAF committees on matters affecting equipment.

Current Position

As above.

Reason

To enable the Equipment Committee Terms of Reference to be changed to be consistent with the new Olympic Events and Equipment decision process, if submission 096-10 is approved.
