Advertiseing Code – Classes and Rating Systems

Regulation 20.5

A submission from the Executive Committee

Proposal

20.5  Classes & Rating Systems

20.5.8 The National Class Association of an ISAF Class shall not enter into a sponsorship contract without prior written approval of the International Class Association.

Current Position

As above

Reason

ISAF Classes have overall responsibility for the activities of their respective class; its is that association that is granted the rights under 20.5. This additional clause makes clear that National Class Associations cannot act unilaterally which is technically the case under the rule, but will avoid misunderstandings.
