

Regulation 23 – voting processes

A submission from the Chairs of the Events and Equipment Committees

Purpose or Objective

To require Council to vote on a recommendation from a reporting Committee before considering submissions on the matter.

Proposal

23.1.8 Olympic Event and Equipment Voting Processes

- (a) Committees voting on a recommendation to Council shall use the appropriate process defined below. Council ~~may~~ **shall** vote to accept the recommendation of a reporting committee **before considering any submissions on the matter**. If Council does not ~~so do~~ **accept the recommendation of a reporting committee**, it shall then use the appropriate process defined below to make its decision(s).

Current Position

As above

Reasons

1. This is a practical step that will enable a constructive and well informed discussion to take place, ensuring the views of reporting committees receive due consideration.
2. It was adopted for the 2021 Mid-year meeting in respect of the Alternative Events submissions as Regulation 23.1.11 (g).
